# Hathaway's Autumn Sale

## Beginning Monday, September 14

### What the Test Has Shown

**M**OST articles of exceptionally high quality are sold on the theory that the number of sales will be so limited that a large profit on each sale is essential.

It has been the Hathaway idea, however, that an arbitrary reduction of our profit would be equalized by the increased number of sales. The soundness of the plan is shown by the hearty reception it has received from our patrons. We thank them for the co-operation which has enabled us to follow out the idea until it is no longer an experiment but a fundamental principle of our business.

Our Autumn stock is now complete. It includes an abundance of new designs in all the choice woods, a profusion of exquisite pieces for every room. Our designers have fairly outdone themselves in preparation for the present season. We are ready.
