Defendant.)	

ORDER

Adopted: June 21, 2000

Released: June 22, 2000

By the Chief, Market Disputes Resolution Division, Enforcement Division:

1. On April 10, 1997, MCI Telecommunications Corp. ("MCI") filed the formal complaint captioned above against Pacific Bell alleging that Pacific Bell's refusal to provide MCI access to customer proprietary network information for customers switching local phone service from Pacific Bell to MCI violated sections 201(b) and 251(c)(4)(B) of the Communications Act of 1934, as amended. *See* 47 U.S.C. §§ 201(b), 251(c). On June 16, 2000, MCI filed a Motion for Voluntary Dismissal of Proceeding that asks the Commission to terminate the complaint captioned above.

2. We are satisfied that dismissing the complaint will serve the public interest by promoting the private resolution of disputes and by eliminating the need for further litigation and expenditure of resources by the parties and the Commission.

3. Accordingly, IT IS ORDERED, pursuant to sections 1, 4(i), 4(j), 201(b), and 251(c) of the Communications Act of 1934, as amended, 47 U.S.C. §§ 151, 154(i), 154(j), 201(b), 251(c), and the authority delegated in sections 0.111 and 0.311 of the Commission's rules, 47 C.F.R. §§ 0.111, 0.311, that the unopposed Motion for Voluntary Dismissal of the complaint IS GRANTED.

4. IT IS FURTHER ORDERED that the complaint IS DISMISSED WITH PREJUDICE and that the proceeding IS TERMINATED effective immediately upon the Release Date of this Order.
