Dear Professor Firmage:

Re: Efforts for Release of Liliana Graciela Vogler

Your letter of January 23 to Mr. Hansell was referred to me, in Mr. Hansell's absence, for reply.

The matter is clearly a serious and difficult one, and with a considerable history. I know that efforts have been made by us in the past and that it continues to receive the attention of the Department and our Embassy. I am in the process of reading into it and shall look especially to see what if any avenues for relief may be open for pursuit.

I shall write you again as soon as I have a better grasp of the problem.

Sincerely yours,

Charles Runyon
