(9) Unit sales price of the commodity, or a mechanism to establish the price, as agreed between the exporter and the importer. If the commodity was sold on the basis of CFR or CIF, the actual (if known at the time of application) or estimated value of freight and, in the case of sales made on a CIF basis, the actual (if known at the time of application) or estimated value of marine and war risk insurance, must be specified;

mitted, approved with modifications agreed to by the exporter, or rejected by the GSM. In the event that the application is approved, the GSM will cause a payment guarantee to be issued in favor of the exporter. Such payment guarantee will become effective at the time specified in §1493.450(b). If, based upon a price review, the unit sales price of the commodity does not fall within the prevailing commercial market level ranges, as determined by CCC, the application will not be approved.

(c) Ineligible exporter. An exporter will be ineligible to obtain a payment guarantee if such exporter:

(1) Directly or indirectly owns or controls the importer;

(2) Is directly or indirectly owned or controlled by the importer; or

(3) Is directly or indirectly owned or controlled by a person(s) or entity(ies) which also owns or controls the importer.

§ 1493.440 Certification requirements for payment guarantee.

By providing the statement in §1493.430(a)(17), the exporter is certifying that the information provided in the application is true and correct and, further, that all requirements set forth in this section have been or will be met. The exporter will be required to provide further explanation or documentation with regard to applications that do not include this statement. The exporter, in submitting an application for a payment guarantee and providing the statement set forth in §1493.430(a)(17), certifies that:

(a) The agricultural commodity or product to be exported under the payment guarantee is a U.S. agricultural commodity as defined by §1493.410(x).

(b) There have not been and will not be any corrupt payments or extra sales services or other items extraneous to the transaction provided, financed, or guaranteed in connection with the transaction, and that the transaction complies with applicable United States law;

(c) If the agricultural commodity is vegetable oil or a vegetable oil product, that none of the agricultural commodity or product has been or will be used as a basis for a claim of a refund, as drawback, pursuant to section 313 of

Commodity Credit Corporation, USDA

§ 1493.450

the Tariff Act of 1930, 19 U.S.C. 1313, of any duty, tax or fee imposed under Federal law on an imported commodity or product;

(d) No person or selling agency has been employed or retained to solicit or secure the payment guarantee, and that there is no agreement or understanding for a commission, percentage, brokerage, or contingent fee, except in the case of bona fide employees or bona fide established commercial or selling agencies maintained by the exporter for the purpose of securing business; and

(e) The information provided pursuant to §1493.420 has not changed, the exporter still meets all of the qualification requirements of §1493.420, and the exporter will immediately notify CCC if there is a change of circumstances which would cause it to fail to meet such requirements. If the exporter breaches or violates these certifications with respect to a SCGP payment guarantee, CCC will have the right, notwithstanding any other rights provided under this subpart, to annul guarantee coverage for any commodities not yet exported and/or to proceed against the exporter.

§ 1493.450 Payment guarantee.

(a) *CCC's obligation.* The payment guarantee will provide that CCC agrees to pay the exporter or the exporter's assignee an amount not to exceed the guaranteed value, plus eligible interest, in the event that the importer fails to pay under the importer obligation, unless CCC determines with respect to the particular transaction and claim that the guaranteed portion of the port value exceeded the prevailing U.S. market value for the same, or same type of agricultural commodity or product. In making this determination, CCC will adjust the prevailing U.S. market value for estimated freight and/or insurance costs if the export sale was made on a CFR or CIF basis. Payment by CCC will be in U.S. dollars.

(b) *Period of guarantee coverage.* The payment guarantee will apply to a credit period not exceeding 180 days beginning either on the date(s) of export(s) or from the date when interest

begins to accrue whichever is earlier, and will continue during the credit term specified in the payment guarantee or amendments thereto. However, the payment guarantee becomes effective on the date(s) of export(s) of the agricultural commodities or products thereof specified in the exporter's application for a payment guarantee.

(c) *Terms of the CCC payment guarantee.* The terms of CCC's coverage will be set forth in the payment guarantee, as approved by CCC, and will include the provisions of this subpart, which may be supplemented by any Program Announcements and/or Notices to Participants in effect at the time the payment guarantee is approved by CCC.

(d) *Final date to export.* The final date to export shown on the payment guarantee will be one month, as determined by CCC, after the contractual deadline for shipping.

(e) *Reserve coverage for loading tolerances.* The exporter may apply for a payment guarantee and, if coverage is available, pay the guarantee fee, based at least on, the amount of the lower loading tolerance of the export sales contract; however, the exporter may also request that CCC reserve additional guarantee coverage to accommodate up to the amount of the upward loading tolerance specified in the export sales contract. If such additional guarantee coverage is available at the time of application and CCC determines to make such reservation, it will so indicate to the exporter. In the event that the exporter ships a quantity greater than the amount on which the guarantee fee was paid (i.e., lower loading tolerance), it may obtain the additional coverage from CCC, up to the amount of the upward loading tolerance, by filing for an amendment to the payment guarantee, and by paying the additional amount of fee applicable. If such amendment to the payment guarantee is not filed with CCC by the exporter within 30 days after the date of the last export against the sales contract, CCC may determine not to reserve the coverage originally set aside for the exporter.

(f) *Ineligible exports.* Commodities with a date of export prior to the date
