

**DEPARTMENT OF THE TREASURY****31 CFR Subtitle A, Chs. I and II****Semiannual Agenda and Fiscal Year 2009 Regulatory Plan**

**AGENCY:** Department of the Treasury.

**ACTION:** Semiannual regulatory agenda and annual regulatory plan.

**SUMMARY:** This notice is given pursuant to the requirements of the Regulatory Flexibility Act and Executive Order (EO) 12866 ("Regulatory Planning and Review"), which require the publication by the Department of a semiannual agenda of regulations. EO 12866 also requires the publication by the Department of a regulatory plan for fiscal year 2009.

**FOR FURTHER INFORMATION CONTACT:** The Agency Contact identified in the item relating to that regulation.

**SUPPLEMENTARY INFORMATION:** The semiannual regulatory agenda includes regulations that the Department has issued or expects to issue and rules currently in effect that are under departmental or bureau review. For this edition of the regulatory agenda, the most important significant regulatory actions and a Statement of Regulatory Priorities are included in The Regulatory Plan, which appears in both the online Unified Agenda and in part II of the **Federal Register** that includes the Unified Agenda.

Beginning with the fall 2007 edition, the Internet is the primary medium for disseminating the Unified Agenda. The complete Unified Agenda will be available online at [www.reginfo.gov](http://www.reginfo.gov), in a format that offers users an enhanced ability to obtain information from the Agenda database. Because publication in the Federal Register is mandated for the regulatory flexibility agenda required by the Regulatory Flexibility Act (5 U.S.C. 602), Treasury's printed agenda entries include only:

- (1) Rules that are in the regulatory flexibility agenda, in accordance with the Regulatory Flexibility Act, because they are likely to have a significant economic impact on a substantial number of small entities; and
- (2) Any rule that has been identified for periodic review under section 610 of the Regulatory Flexibility Act.

Printing of these entries is limited to fields that contain information required by the Regulatory Flexibility Act's Agenda requirements. Additional information on these entries is available in the Unified Agenda published on the Internet. In addition, for fall editions of the Agenda, the entire Regulatory Plan will continue to be printed in the Federal Register, as in past years, including Treasury's regulatory plan.

The semiannual agenda and The Regulatory Plan of the Department of the Treasury conform to the Unified Agenda format developed by the Regulatory Information Service Center (RISC).

**Dated:** August 29, 2008.

**NAME:** **Richard G. Lepley,**  
*Deputy Assistant General Counsel for  
General Law and Regulation.*

Title: Expanded Methods of Payment of Duties, Taxes, Interest, and Fees

Abstract: Amendment to title 19 of the Code of Federal Regulations to expand the number of ways that Customs and Border Protection (CBP) will accept the payment of duties, taxes, fees, interest and other charges. Currently, the regulations provide that credit or charge cards, which have been authorized by the Commissioner of CBP, may be used for the payment of duties, taxes, fees, interest and other charges at designated CBP-serviced locations. Payment in this manner is currently limited to non-commercial entries. In this document, CBP is proposing to expand this provision by allowing credit and charge cards that are authorized by the Commissioner of CBP to be used for the payment of these charges for commercial entries. This amendment, if adopted, would assist CBP in improving customer service and financial management and facilitate the overall entry process.

Title: Uniform Rules of Origin of Imported Merchandise

Abstract: Amendment to the U. S. Customs and Border Protection (CBP) Regulations to establish uniform rules governing CBP determinations of the country of origin of imported merchandise. This proposal would extend application of the country of origin rules codified in 19 CFR part 102. Those rules have proven to be more objective and transparent and provide greater predictability in determining the country of origin of imported merchandise than the system of case-by-case adjudication they would replace. The proposed change also will aid an importer's exercise of reasonable care. In addition, this document proposes to amend the country of origin rules applicable to pipe fittings and flanges, printed greeting cards, glass optical fiber, and rice preparations. Finally, this document proposes amendments to the textile regulations set forth in section 102.21 to make corrections so that the regulations reflect the language of section 334(b)(5) of the Uruguay Round Agreement Act Amendment to set forth uniform rules for determining the country of origin of imported goods.

Title: Revision of Outbound Redelivery Procedures and Liabilities

Abstract: Amendment of the condition in an international carrier bond regarding the unlawful disposition of merchandise in order to allow CBP to better control the exportation of merchandise and to have more control over demands for redelivery. Conditions of the bond would be amended to no longer require the merchandise to be labeled as seized and detained for the principal to be required to obtain permission from CBP prior to placing the merchandise on board a conveyance for export or otherwise disposing of the merchandise. Instead of the condition being applicable when CBP labels merchandise, the condition would be applicable when CBP notifies the principal either in writing or electronically that the merchandise has been seized or detained.

Title: Centralization of the Continuous Bond Program at the CBP's Revenue Division

Abstract: Amendment to reflect CBP's planned centralization of the continuous bond program at the CPB's Revenue Division. Pursuant to this centralization, all continuous bonds would be filed at the CPB's Revenue Division via mail, fax, or in an electronic format. The CPB's Revenue Division would assume most of the bond functions previously performed at the port level, with the noted exception that the authority to approve single transaction bonds will remain with port directors. These changes would support CBP's bond program by ensuring an efficient and uniform approach to the approval, maintenance, and periodic review of continuous bonds.

Title: Administrative Rulings and Protests  
 Abstract: Amendments to implement the administrative rulings process as well as the filing and administrative review of protests against specific decisions of Customs and Border Protection (CBP). Amendments reflect changes to the underlying statutory authority to parts 177 and 174 of title 19 of the CFR made by the Customs Modernization Provisions of the North American Free Trade Agreement (NAFTA) Implementation Act. Proposed changes to part 174 also reflect statutory amendments made by the Miscellaneous Trade and Technical Corrections Act of 1999 regarding protests against decisions on post-importation NAFTA claims and the time required for allowing or denying an application for further review of a protest. Additional changes to part 174 are proposed to reflect statutory amendments made by the Miscellaneous Trade and Technical Corrections Act of 2004, which impact the types of matters that are subject to protest, and extend various protest time limits such as the time to file and amend a protest, the time for a surety to file a protest, and the time to file a request for accelerated disposition of a protest. Other changes proposed serve to modernize, clarify, and enhance current CBP administrative rulings and protest procedures and reflect the nomenclature changes effected by the transfer of CBP to the Department of Homeland Security and the subsequent renaming of the U.S. Customs Service as the Bureau of Customs and Border Protection.

Title: Foreign Repairs to American Vessels; Consolidation of Vessel Repair Units

Abstract: This document proposes to amend the Customs and Border Protection (CBP) regulations governing the location of CBP Vessel Repair Units (VRUs). VRUs are responsible for processing vessel repair entries filed by persons required to declare purchases for or repairs to certain vessels while they are outside the United States. As a result of a sustained decrease in the number of vessel repair entries filed, CBP is proposing to consolidate the VRUs by closing the VRUs located in San Francisco and New York and by requiring all vessel repair entries to be filed at the VRU in New Orleans. CBP also is proposing to amend the CBP regulations relating to the declaration, entry, and assessment of duty with regard to vessel repairs and purchases to advise that the enactment and implementation of free trade agreements between the United States and other countries may impact upon the dutiable status of vessel repair expenditures made in foreign countries that are parties to those agreements, and to require that, if a single entry bond is used for a vessel repair entry, the bond must be attached to the entry at the time of submission. In addition, this document proposes to amend the CBP regulations relating to claims for relief from the assessment of vessel repair duties to reflect a 2004 amendment to the vessel repair statute that created an exemption from vessel repair duties for the cost of certain equipment, repair parts, and materials.

Title: Federal Benefit Payments Under Certain District of Columbia Retirement Plans--Split Benefits

Abstract: The Department of the Treasury proposes to amend subpart C of its DC Pensions rules promulgated pursuant to the Balanced Budget Act of 1997, as amended (the Act). Pursuant to the Act, Treasury's Office of DC Pensions (ODCP) has responsibility for payment of benefits based on service accrued as of June 30, 1997, under the retirement plans for District of Columbia teachers, police officers, and firefighters. Benefits for service after that date are funded by the District of Columbia. The amended regulations establish the methodology for determining the split between the Federal and District benefit payments.

Title: Terrorism Risk Insurance Program; Recoupment of Federal Share of Compensation for Insured Losses

Abstract: As the statutorily authorized administrator of the Terrorism Risk Insurance Program, Treasury is issuing proposed and final regulations to implement the Program. Under the Terrorism Risk Insurance Act of 2002, (Pub. L. 107-297) as amended, the Federal Government shares the risk of insured losses from certified acts of terrorism with commercial property and casualty insurers. This rule incorporates and clarifies statutory requirements for the recoupment of the Federal share of compensation for insured losses. The rule establishes requirements for determining amounts to be recouped and for procedures insurers are to use for collecting terrorism policy surcharges and remitting them to the Treasury.

Title: Trade Benefits Under the African Growth and Opportunity Act

Abstract: Amendment to those provisions of the Customs and Border Protection Regulations that implement the trade benefit provisions for sub-Saharan African countries contained in the African Growth and Opportunity Act (the AGOA). Amendments involve the textile and apparel provisions of the AGOA and in part reflect changes to those statutory provisions by section 3108 of the Trade Act of 2002. The specific statutory changes involve the amendment of several provisions to clarify the status of apparel articles assembled from knit-to-shape components, the inclusion of a specific reference to apparel articles formed on seamless knitting machines, a change of the wool fiber diameter specified in one provision, and the addition of a new provision to cover additional production scenarios involving the United States and AGOA beneficiary countries.

Title: Recordation of Copyrights and Enforcement Procedures To Prevent Importation of Piratical Articles

Abstract: This amendment will allow CBP to be more responsive to claims of piracy. Amendment would allow sound recordings and motion pictures or similar audio-visual works to be recorded with CBP while pending registration with the U.S. Copyright Office. Amendment would also enhance the protection of all non-U.S. works by allowing recordation without requiring registration with the U.S. Copyright Office. Amendment would also set forth changes to CBP's enforcement procedures, including, among other things, enhanced disclosure provisions, protection for live musical performances, and provisions to enforce the Digital Millennium Copyright Act.

Title: Country of Origin of Textile and Apparel Products

Abstract: Amendment of the CBP regulations to update, restructure, and consolidate the regulations relating to the country of origin of textile and apparel products. Amendments reflect changes brought about, in part, by the expiration on January 1, 2005, of the Agreement on Textiles and Clothing and the resulting elimination of quotas on the entry of textile and apparel products from World Trade Organization members. The primary regulatory change is the elimination of the requirement that a textile declaration be submitted for all importations of textile and apparel products. In addition, to improve the quality of reporting of the manufacturer of imported textiles and apparel products, the amendments include a requirement that importers identify the manufacturer of such products through a manufacturer identification code.

Title: Prohibition on Funding of Unlawful Internet Gambling

Abstract: The Unlawful Internet Gambling Enforcement Act of 2006 (the Act) requires the Department of the Treasury and the Board of Governors of the Federal Reserve System (collectively, the Agencies), in consultation with the Attorney General, to promulgate regulations to implement applicable provisions of the Act. The Agencies published a proposed rule on October 4, 2007, and the public comment period closed on December 12, 2007. In accordance with the requirements of the Act, the final rule is expected to designate payment systems that could be used in connection with unlawful Internet gambling transactions restricted by the Act. The final rule will require participants in designated payment systems to establish policies and procedures reasonably designed to identify and block or otherwise prevent or prohibit transactions in connection with unlawful Internet gambling. As required by the Act, the final rule is expected to exempt certain participants in designated payment systems from the requirements to establish such policies and procedures if the Agencies believe it is not reasonably practical for those participants to identify and block, or otherwise prevent or prohibit, unlawful Internet gambling transactions restricted by the Act. Finally, the final rule will describe the types of policies and procedures that regulated participants in each type of designated payment system may adopt in order to comply with the Act and will include non-exclusive examples of policies and procedures that will be deemed to be reasonably designed to prevent or prohibit unlawful Internet gambling transactions restricted by the Act.

Title: Class 9 Bonded Warehouse Procedures

Abstract: This document proposes amendments to title 19 of the Code of Federal Regulations (19 CFR), with respect to the requirements applicable to the operation of Class 9 bonded warehouses, which are also known as “duty-free sales enterprises” or “duty-free stores.” The proposed amendments would extend the blanket withdrawal procedure for Class 9 bonded warehouses to cover vessel supplies under certain circumstances and expand and create a uniform time period for Class 9 proprietors to file an entry; provide written confirmation of certain shortages, overages, and damages; and to pay duties, taxes, and interest on overages and shortages. In addition, the proposed amendments would permit Class 9 warehouses to utilize technological systems more effectively. The proposed changes would facilitate the efficient operation of Class 9 warehouses and also ensure adequate records are maintained for U.S. Customs and Border Protection (CBP) trade enforcement purposes.

Title: Regulations Pertaining to the Mergers, Acquisitions, and Takeovers by Foreign Persons

Abstract: On July 26, 2007, President Bush signed into law the Foreign Investment and National Security Act of 2007 (FINSA) (Pub. L. 110-49), which amends section 721 of the Defense Production Act of 1950 (50 U.S.C. 2170 et seq.) (section 721), to codify the structure, role, process, and responsibilities of the Committee on Foreign Investment in the United States (CFIUS). FINSA requires the President to direct the issuance of implementing regulations. Proposed regulations have been published in the Federal Register and were subject to notice and comment. Final regulations are expected to be published this fall. Treasury must also publish in the Federal Register guidance on the types of transactions that CFIUS has reviewed and that have presented national security considerations. Treasury plans to do so separately from the regulations that will be published under section 721.

Title: Terrorism Risk Insurance Program; Cap on Annual Liability and Pro Rata Share of Insured Losses

Abstract: As the statutorily authorized administrator of the Terrorism Risk Insurance Program, Treasury is issuing proposed and final regulations to implement the Program. Under the Terrorism Risk Insurance Act of 2002, Public Law 107-297, the Terrorism Risk Insurance Extension Act of 2005, Public Law 109-144, and the Terrorism Risk Insurance Program Reauthorization Act of 2007, Public Law 110-160, the Federal Government shares the risk of insured losses from certified acts of terrorism with commercial property and casualty insurers. This rule incorporates and clarifies statutory requirements for the \$100,000,000,000 cap on annual liability for insured losses. The rule establishes how Treasury will determine whether the cap on annual liability for insured losses has been reached and, if so, how Treasury will determine the pro rata share of insured losses to be paid by each insurer that incurs insured losses under the Program.

Title: Terrorism Risk Insurance Program Reauthorization Act of 2007 Implementation

Abstract: As the statutorily authorized administrator of the Terrorism Risk Insurance Program, Treasury is issuing interim final regulations to implement the Program. On December 26, 2007, the President signed into law the Terrorism Risk Insurance

Program Reauthorization Act of 2007, extending the Program until December 31, 2014, revising the definition of "act of terrorism," and containing other new statutory requirements which were effective immediately. On January 29, 2008, pending the issuance of regulations, interim guidance was published in the Federal Register to assist insurers and others in complying with the Program's mandatory availability requirements and disclosure notice requirements. This rule addresses the same requirements previously addressed in the interim guidance and also conforms Program regulations with the already effective statutory changes to the definitions of "act of terrorism," "Program Years," and "insurer deductible" and the calculation of the Federal share of insured losses.

Title: First Sale Declaration Requirement

Abstract: This rule establishes an importer declaration requirement to assist Customs and Border Protection (CBP) in gathering information at the time of entry on the transaction valuation of goods imported into the United States under section 15422(a) of the Food, Conservation, and Energy Act of 2008. Effective for a one-year period beginning August 20, 2008, all importers will be required to provide a declaration to CBP at the time of entry stating whether or not the transaction value of the imported merchandise is determined on the basis of the first or earlier sale of goods. CBP will then report the frequency of the use of the first sale rule and other associated data to the International Trade Commission (ITC) on a monthly basis. This document does not affect or modify the notice of proposed interpretation of the expression "sold for exportation to the United States" published in the Federal Register on January 24, 2008 (73 FR 4254), and CBP will not take any action with regard to the proposal until after the submission of ITC's report to Congress, and the completion of CBP's own economic analysis.

Title: Electronic Payment and Refund of Quarterly Harbor Maintenance Fees

Abstract: This document proposes to amend title 19 of the Code of Federal Regulations by prescribing alternative procedures by which payers of the quarterly harbor maintenance fee (HMF) may submit their payments or refund requests to Customs and Border Protection (CBP) electronically via an Internet account established by the payer and located at [www.pay.gov](http://www.pay.gov). CBP will continue to accept quarterly HMF payments or refund requests via mail. It is also proposed to clarify the regulations to state that each HMF quarterly payment, whether paper or electronic, must be accompanied by a CBP Form 349 (HMF Quarterly Summary Report). The changes proposed in this document are intended to provide the trade with expanded electronic payment/refund options for quarterly HMFs and to modernize and enhance CBP's port use fee collection efforts.

Title: Entry Requirements for Certain Softwood Lumber Products Exported From Any Country Into the United States

Abstract: This document sets forth interim amendments to title 19 of the Code of Federal Regulations (CFR) that prescribe special entry requirements applicable to certain softwood lumber (SWL) and SWL products exported from any country into the United States. The SWL products subject to these interim entry requirements are those described in section 804(a) within title VIII (Softwood Lumber Act of 2008) of the Tariff Act of 1930, as added by section 3301 of title III, subtitle D, of the Food, Conservation, and Energy Act of 2008 (Pub. L. 110-246, enacted June 18, 2008). Within title VIII, section 803 requires the President to establish and maintain an importer declaration program with respect to the importation of certain SWL and SWL products and prescribes special entry requirements whereby importers must submit the export price, estimated export charge, if any, and an importer declaration with the entry summary documentation. These interim amendments set forth the procedural and documentation requirements necessary to implement the entry requirements specified in the statute.

Title: Economic Sanctions Enforcement Guidelines

Abstract: On October 16, 2007, the President signed into law the International Emergency Economic Powers Enhancement Act (Pub. L. 110-96) (Enhancement Act), substantially increasing the maximum penalties for violations of the International Emergency Economic Powers Act (IEEPA), the enabling statute for most sanctions programs administered and enforced by the Office of Foreign Assets Control at the Treasury Department. The increased maximum penalty amounts set forth in the Enhancement Act, as well as its application to pending or commenced cases involving apparent violations of IEEPA, prompted the development of these new guidelines for determining when it may be appropriate to pursue a civil monetary penalty for violation of sanctions programs enforced by OFAC, and for determining the amount of any civil monetary penalty in such cases.

Title: Articles Assembled Abroad: Operations Incidental to the Assembly Process

Abstract: This document amends the Customs and Border Protection (CBP) Regulations in title 19 of the Code of Federal Regulations (19 CFR part 10) in order to remove a provision that draws a distinction between preservative and decorative painting for purposes of the partial duty exemption under subheading 9802.00.80, Harmonized Tariff Schedule of the United States (HTSUS). The change is made to conform the CBP Regulations with the holding of a court decision in which the regulatory distinction between preservative and decorative painting was found to be invalid.

Title: Extension of Import Restrictions Imposed on Archaeological Materials From Cambodia

Abstract: This document amends Customs and Border Protection (CBP) regulations to reflect both continuing and new import restrictions on certain archaeological material from Cambodia. Import restrictions that were previously imposed by CBP Decision 03-28 on certain stone, metal, and ceramic archaeological materials that are due to expire on September 22, 2008, are extended. The Assistant Secretary for Educational and Cultural Affairs, United States Department of State, has made the requisite determination for the extension of import restrictions that previously existed and for amending the agreement so that it applies also to archaeological material of the Bronze and Iron Ages and necessitating additional categories of objects and revising the subcategories of objects to incorporate those of the Bronze and Iron Ages. Accordingly, these import restrictions will remain in effect until September 19, 2013, and title 19 of the CBP regulations is being amended to reflect this amended bilateral agreement. These restrictions are being extended pursuant to determinations of the United States Department of State made under the terms of the 1970 Convention on Cultural Property Implementation Act in accordance with the United Nations Educational, Scientific and Cultural Organization (UNESCO) Convention on the Means of Prohibiting and Preventing the Illicit Import, Export and Transfer of Ownership of Cultural Property. This document also contains the amended Designated List of Archaeological Material that describes the articles to which the restrictions apply, including the new categories of objects (glass and bone) and the additional subcategories of stone and metal objects from the Bronze and Iron Age.

Title: Provision of Banking Services to Money Services Businesses

Abstract: We are issuing this advance notice of proposed rulemaking (Advance Notice) as a part of our ongoing effort to address, in the context of the Bank Secrecy Act, the issue of access to banking services by money services businesses. Both the banking industry and the money service business industry have expressed concerns with regard to the impact of Bank Secrecy Act regulations on the ability of money service businesses to open and maintain accounts and obtain other financial services at banks and other depository institutions. Due to the concerns about the effect of regulatory requirements on the provision of banking services to money services businesses, we, through the Non-Bank Financial Institutions and the Examinations subcommittees of the Bank Secrecy Act Advisory Group, held a fact-finding meeting on March 8, 2005, to hear directly from banks, other depository institutions, and money services businesses concerning the challenges that they face on this issue.

Title: Financial Crimes Enforcement Network; Proposed Amendments to the Bank Secrecy Act Regulations—Exemptions From the Requirement To Report Transactions in Currency; Comment Request

Abstract: FinCEN is proposing rules to further reform and simplify the process by which banks may exempt transactions of certain persons from the requirement to report transactions in currency in excess of \$10,000. We are also providing notice and requesting comments on proposed special instructions to the “Designation of Exempt Persons” form, FinCEN Form 110, which correspond to the proposed changes to the regulatory text being made in this notice. Finally, we are proposing technical corrections and edits to the rules. Modification of the currency transaction report exemption procedures is an additional step in the Department of the Treasury’s continuing program to increase the efficiency and effectiveness of the counter-money laundering and anti-terrorist financing policies of the Department of the Treasury.

Title: Proposed Amendment of Title 31, Money and Finance: Chapter X Initiative

Abstract: FinCEN proposes to remove part 103 of chapter I of title 31, Code of Federal Regulations and add a new chapter X to title 31 of the Code of Federal Regulations (CFR). New chapter X would contain the Bank Secrecy Act (BSA) regulations currently in part 103, which would generally be reorganized by financial industry. Moving the BSA regulations to new chapter X and organizing chapter X by financial industry would create a user-friendly way to find regulations applicable to a particular financial industry. This new organization within chapter X also allows for the renumbering of the BSA regulations in a manner that would make it easier to find regulatory requirements than under the numbering system currently used in part 103. FinCEN also proposes to make minor technical changes to the BSA regulations such as updating mailing addresses and points of contact.

Title: Management of Federal Agency Disbursements

Abstract: The Department of the Treasury, Financial Management Service, is proposing to amend 31 CFR part 208 (part 208) to allow Federal agencies to issue part or all of an employee's travel reimbursement to the travel card issuing bank for crediting to the employee's travel card account (split disbursement). Currently, 31 CFR 208.6 requires that Federal electronic payments other than vendor payments be directed to a deposit account at the financial institution "in the name of" the individual.

Treasury waived this requirement for split disbursement in April 2005. The proposed rule will codify the terms of the waiver in part 208. In addition, the proposed rule would prohibit a Federal agency from making a check payment to another Federal agency, and would instead require that all agency-to-agency payments be made through the Intra-Governmental Payment and Collection System.

Title: Centralized Offset of Federal Payments To Collect Nontax Debts Owed to the United States

Abstract: The Department of the Treasury, Financial Management Service, is amending its regulation governing the offset of Federal payments to collect nontax debts owed to the United States. We are removing the statute of limitations due to a change in the statutory definition on which it is based, enacted as part of the Food, Conservation and Energy Act of 2008. This statutory change will allow for the use of centralized offset of Federal payments to collect nontax debts owed to the United States, irrespective of the amount of time the debt has been outstanding.

Title: Federal Government Participation in the Automated Clearing House (ACH)

Abstract: The Department of the Treasury, Financial Management Service (FMS), periodically reviews the private sector Automated Clearing House (ACH) operating rules established by NACHA--The Electronic Payments Association and adopts or

declines each rule. FMS published a final rule amending 31 CFR part 210 (part 210) to adopt certain ACH rules, including a new ACH rule establishing a per transaction fee for the origination and receipt of ACH transactions. In addition, the rule provides two exceptions to the deposit account requirement contained in 31 CFR 210.5. Section 210.5 requires that an ACH credit entry representing a Federal payment other than a vendor payment be deposited into a deposit account at a financial institution "in the name" of the recipient. In April 2005, Treasury waived this requirement to allow some or all of the amount to be reimbursed to a Federal employee for official travel credit card charges to be disbursed directly to the credit card issuing bank. The rule codifies this waiver. The rule also provides an exception from the requirements of section 210.5 in cases where a Federal payment is to be disbursed through a debit card, stored value card, or prepaid card program established by FMS. The comment period on the proposed rule (73 FR 1560) preceding this final rule closed on March 10, 2008.

Title: Proposed Revisions to the Distilled Spirits Plant Regulations

Abstract: TTB is proposing to amend the distilled spirits plant regulations in 27 CFR part 19. Many of these proposed revisions are the result of a petition submitted by the Distilled Spirits Council of the United States (DISCUS). Other proposed revisions are a result of TTB's own comprehensive review of the regulations in 27 CFR part 19. TTB believes that the amendments proposed in this notice will benefit the distilled spirits industry by modernizing many of the requirements for operating distilled spirits plants and thereby allow proprietors to operate in a more efficient manner.

Title: Petition To Establish Calistoga as an American Viticultural Area

Abstract: In response to a petition, the Alcohol and Tobacco Tax and Trade Bureau proposed to establish the Calistoga viticultural area in Calistoga, Napa Valley, California. We designate viticultural areas to allow bottlers to better describe the origin of wines and allow consumers to better identify the wines they may purchase. We invited comments on this proposed addition to our regulations, particularly from bottlers who use brand names similar to Calistoga.

Title: Labeling and Advertising of Wines, Distilled Spirits, and Malt Beverages

Abstract: TTB requests public comment on possible changes to the labeling and advertising requirements of alcohol beverage products regulated by TTB. TTB has long required certain labeling, such as brand name, class and type, alcohol content (in the case of wines containing more than 14 percent alcohol by volume and distilled spirits), net contents, and in recent years has published updated standards for the use of carbohydrate and calorie claims. Because of petitions to mandate additional information, including ingredient, allergen, alcohol, calorie, and carbohydrate content, and requests by some to use labels with at least some of that additional information on a voluntary basis under existing rules, TTB believes it is now appropriate to consider revising the alcohol beverage labeling and advertising regulations, and seeks public comment on several issues to assist TTB in formulating specific regulatory proposals.

Title: Tax Classification of Cigars and Cigarettes

Abstract: TTB is proposing changes to the regulations that govern the classification and labeling of cigars and cigarettes for Federal excise tax purposes under the Internal Revenue Code of 1986. The proposed regulatory changes address concerns that TTB has regarding the adequacy of the current regulatory standards for distinguishing between cigars and cigarettes. The

document also summarizes and responds to three petitions received by TTB requesting rulemaking action regarding the classification of cigars and cigarettes, with particular reference to the distinction between little cigars and cigarettes. The proposals contained in this document clarify the application of existing statutory definitions and update and codify administrative policy to provide clearer and more objective product classification criteria.

Title: Proposed Establishment of the Leona Valley Viticultural Area

Abstract: Mr. Ralph Jens Carter, on behalf of the Antelope Valley Winegrowers Association, Leona Valley Vineyards, and Donato Vineyards, submitted the 8,600-acre Leona Valley viticultural area petition. The region currently includes 20 vineyard acres with more under development. The "Leona Valley" name comes from early Nebraska settlers of the area. The proposed boundary reflects the valley floor and some side slopes with potential or established viticulture. Distinguishing features include the physical characteristics of the San Andreas Fault system and a fault-controlled valley terrain surrounded by significantly higher mountain elevations. Also, the geology, soil, and climate distinguish the region from areas beyond the proposed

Title: Outbound Transfers of Property to Foreign Corporations

Abstract: The income tax regulations under section 367(a) will be amended to reflect the changes made to that section by the Technical and Miscellaneous Corrections Act of 1988. Section 367(a)(5) now provides that a transfer of assets to a foreign corporation in an exchange described in section 361 is subject to section 367(a)(1), unless certain ownership requirements and other conditions are met. The regulations will provide guidance regarding the application of this section. The change in the statute was necessitated by the repeal of "General Utilities."

Title: Coordination of United States and Certain Possessions Income Taxes

Abstract: Internal Revenue Code section 7654 contains provisions for coordination of United States and certain possessions income taxes. Specifically, section 7654 provides for "cover over" of the net collection of taxes imposed under chapter 1 or deducted and withheld under chapter 24. Section 7654 of the Internal Revenue Code of 1986 provides specific rules for cover over with regard to the possessions American Samoa and the U.S. Virgin Islands. Section 7654 of the 1954 Code, as amended in 1972 by Public Law 92-606, provides specific rules for cover over with regard to the possessions Guam and the Northern Mariana Islands (NMI). Section 7654 of the 1954 Code remains applicable to Guam and the NMI because neither of these two possessions has an effective implementing agreement with the United States, in accordance with the Tax Reform Act of 1986, Public Law 99-514. The regulations will provide rules under both the 1954 Code and the 1986 Code versions of section 7654.

Title: Definition of Qualified Foreign Corporation

Abstract: Notice 2003-79, section 5, published on December 15, 2003, states that the IRS intends to issue regulations, for years after 2003, that provide procedures for a foreign corporation to certify that it is a qualified foreign corporation for purposes of IRC section 1(h)(11)(C). (Temporary rules provided in Notice 2003-79 were subsequently extended by Notice 2004-71, published on November 8, 2004, and by Notice 2006-3, published January 17, 2006.) The regulations will also provide procedures for certifying that a security that is not a common or ordinary share is equity rather than debt; that a foreign company is entitled to benefits under a comprehensive income tax treaty where a security is not readily tradable on a recognized U.S. stock exchange; and that the foreign corporation is not a PFIC in the taxable year in which a dividend is paid, or in the preceding taxable year. The regulations are also expected to address the meaning of the requirement in the legislative history that to qualify under a treaty for purposes of 1(h)(11) "substantially all of ...[the foreign corporation's] income in the taxable year in which the dividend is paid" must qualify for treaty benefits.

Title: Interest on Overpayments

Abstract: The amendments to Treasury Regulation 301.6611-1 Interest on Overpayments will explain the dates interest starts to accrue on refunds of overpayments claimed by certain tax exempt persons who do not have an obligation to file tax returns. The amendments address tax exempt persons, corporations exempt from filing income tax returns pursuant to the section 6012 regulations, and persons whose income is excludible from gross income. The amendments will clarify the Service's position on the decisions in Overseas Thread Industries, Ltd. v. United States, 48 Cl. Ct. 221 (2000) and MNOPF Trustees, Ltd. v. United States, 123 F. 3d 1460 (Fed. Cir. 1997), and State of Michigan v. United States, 141 F. 3d 662 (6th Cir. 1998).

Title: Recharacterization of Certain Qualifying Income of Publicly Traded Partnerships

Abstract: The proposed regulations under section 7704 of the Internal Revenue Code will apply to publicly traded partnerships (PTPs) that own controlling interests in corporations that earn non-qualifying income. The regulations will provide a characterization rule for certain gross income received by a PTP from a controlled corporation that would otherwise be qualifying income under section 7704(d) and that is deductible by the corporation. The income would be characterized as non-qualifying income if the effect of the arrangement is to permit the PTP to receive income that is not subject to a corporate-level tax and that would be non-qualifying income if earned directly by the PTP.

Title: Non-Accrual Experience Method of Accounting

Abstract: These regulations deal with the type of methodology that taxpayers should be allowed to use as a self-test for purposes of the non-accrual experience method of accounting. The current regulations contain a reserve section dealing with this self-test requirement. In addition, the regulations deals with the definition and rules surrounding "undue burden" in reference to tracing recoveries under a non-accrual experience method.

Title: Guidance Regarding Marketing of Refund Anticipation Loans (RALs) and Certain Other Products in Connection With the Preparation of a Tax Return

Abstract: This advance notice of proposed rulemaking describes rules that the Treasury Department and the IRS are considering proposing, in a notice of proposed rulemaking, regarding the disclosure and use of tax return information by tax return preparers. The proposed rules would apply to the marketing of refund anticipation loans (RALs) and certain other products in connection with the preparation of a tax return. As an exception to the general principle that taxpayers should have control over their tax return information that is reflected in final regulations under section 7216 that are being issued concurrently with the advance proposed regulations, the proposed rules would provide that a tax return preparer may not obtain a taxpayer's consent to disclose or use tax return information for the purpose of soliciting taxpayers to purchase such products.

Title: Security for Payment of Estate Tax in Installments

Abstract: Prior to the decision in Estate of Roski v. Commissioner, 128 T.C. 113 (2007), the IRS required an estate to post a bond or provide a lien as a prerequisite for granting an election to pay estate tax in installments over a period of up to 14 years under section 6166 of the Code. In Estate of Roski, the Tax Court determined, in part, that the IRS's bright-line rule to require security in all cases was an abuse of discretion. The court held that the IRS must make a case-by-case determination of whether the government's interest in collecting the estate tax in full is at risk before requiring a bond. The IRS is revising procedures to comply with this ruling. The proposed regulations will state that the IRS will make case-by-case determinations as to whether the government's interest is at risk and will also list what factors the IRS will consider in making this determination.

Title: Election of Reduced Credit Under Section 280C(c)(3)

Abstract: These proposed regulations revise the reduced section 41 credit election in section 1.280C-4(a). Under section 1.280C-4(a), the election under section 280C(c)(3) is made by claiming the reduced credit under section 41(a) on an original return for the taxable year, filed at any time on or before the due date (including extensions) for filing the income tax return for such year. The guidance would amend section 1.280C-4(a) in light of the generic legal advice memo (AM-2008-02, Feb. 8, 2008) on section 280(c)(3) which provides that a taxpayer should be treated as having made a valid reduced section 41 credit election if the taxpayer clearly indicates the intent to claim the reduced credit on a timely filed original return for the taxable year.

Title: Agreements for Payment of Tax Liabilities in Installments

Abstract: Section 6159 of the Internal Revenue Code allows the IRS to enter into agreements with taxpayers for the payment of tax liabilities in installments. The principal purpose of this project is to update the regulations under section 6159 to reflect various amendments to that section and related statutes. The proposed regulations govern the acceptance and rejection of installment agreements, the terms of those agreements and when they may be modified or terminated by the IRS, and appeal procedures when the IRS makes a rejection or termination decision.

Title: Real Estate Mortgage Investment Conduit (REMIC) Residuals--Timing of Income for Foreign Holders

Abstract: These proposed regulations cross-reference temporary regulations that address transactions in which partnerships with foreign partners were being used in an attempt to avoid tax on some Real Estate Mortgage Investment Conduit (REMIC) excess inclusions. That avoidance would have violated Congress's clear intention that excess inclusion income should always produce some tax liability. Under the regulations, if a domestic partnership holds REMIC residual interests and allocates excess inclusions from those interests to foreign partners, the foreign partners' recognition of the excess inclusion income is accelerated for purposes of the withholding rules, and the partnership is required to withhold on the income, even in the absence of distributions of cash or property to the foreign partners.

Title: Coordination of United States and Certain Possessions Income Taxes (Temporary)

Abstract: Internal Revenue Code section 7654 contains provisions for coordination of U.S. and certain possessions income taxes. Specifically, section 7654 provides for "cover over" of the net collection of taxes imposed under chapter 1 or deducted and withheld under chapter 24. Section 7654 of the Internal Revenue Code of 1986 provides specific rules for cover over with regard to the possessions American Samoa and the U.S. Virgin Islands. Section 7654 of the 1954 Code, as amended in 1972 by Public Law 92-606, provides specific rules for cover over with regard to the possessions Guam and the Northern Mariana Islands (NMI). Section 7654 of the 1954 Code remains applicable to Guam and the NMI because neither of these two possessions has an effective implementing agreement with the United States, in accordance with the Tax Reform Act of 1986, Public Law 99-514. The regulations will provide rules under both the 1954 Code and the 1986 Code versions of section 7654.

Title: Dye Injection of Diesel Fuel and Kerosene

Abstract: The regulations relate to the diesel fuel and kerosene excise tax and reflect changes made by the American Jobs Creation Act of 2004 (Act) regarding mechanical dye injection systems. Under the Act, diesel fuel and kerosene that are to be used in a nontaxable use must be indelibly dyed by use of a mechanical dye injection system that satisfies the requirements set forth in the regulations. The purpose of the regulations is to establish standards for tamper-resistant mechanical injector dyeing that are reasonable, cost-effective, and set levels of security commensurate with the applicable facility.

## Title: Start-Up and Organizational Expenditures

Abstract: The proposed regulations implement the changes to sections 195, 248, and 709 of the Internal Revenue Code, made by section 902 of the American Jobs Creation Act of 2004 (Pub. L. No. 108-357). Under the Act, a corporate taxpayer may elect to deduct up to \$5000 of start-up expenditures and \$5000 of organizational expenditures in the taxable year in which the trade or business begins. The remainder of the start-up or organizational expenditures are allowed as deductions ratably over the 180-month period beginning with the month the corporation begins business. Similar rules are provided for organizational and syndication fees for partnerships.

Title: Application of Separate Limitations to Dividends From Noncontrolled Section 902 Corporation (Temporary)

Abstract: The American Jobs Creation Act of 2004 amended the foreign tax credit limitation rules under section 904(d) and extended lookthrough treatment to dividends paid by a 10/50 lookthrough corporation, generally effective retroactively for tax years beginning after December 31, 2002. The Gulf Opportunity Zone Act of 2005 permits taxpayers to elect to defer the effective date of the AJCA amendments to tax years beginning after December 31, 2004. These regulations would provide guidance needed to comply with these changes, including transition rules for dividends paid by a 10/50 lookthrough corporation.

Title: Definition of Taxpayer for Purposes of Section 901 and Related Matters

Abstract: The application of existing Treasury Regulation section 1.901-2(f) is unclear in certain circumstances, including circumstances in which foreign law permits foreign corporations to determine their taxable income and tax liability on a combined basis. Amendments are needed to clarify the application of Treasury Regulation section 1.901-2 in such circumstances. In some cases, such as cases involving reverse hybrid entities, the application of existing Treasury Regulation section 1.901-2(f) reaches inappropriate results. Amendments are needed to change the results in such cases.

Title: Guidance Regarding Foreign Base Company Sales Income

Abstract: The proposed regulations provide guidance relating to the manufacturing exception from foreign base company sales income (FBCSI), as defined in section 954(d), with respect to arrangements where the property sold by a controlled foreign corporation (CFC) is manufactured, produced, or constructed pursuant to a contract manufacturing arrangement. These regulations also provide two new manufacturing rules that address a CFC's use of multiple branches that engage in manufacturing, producing, constructing, growing, or extracting activities either with two different items of property or with respect to the same item of property. In addition, these regulations clarify the proper scope and application of the treaty purchasing or selling activities performed by or through a branch or similar establishment as being performed on behalf of the CFC. Finally, the regulations clarify the relationship between the reporting of sales income and "sales activity." These regulations, in general, will affect United States shareholders of controlled foreign corporations.

Title: Tax Return Preparer Penalties Under Section 6694

Abstract: The Internal Revenue Service will issue proposed regulations that revise the definition of "tax return preparer" consistent with section 8246 of the Small Business and Work Opportunity Tax Act of 2007, Public Law 110-28. The proposed regulations will also alter the standards of conduct that preparers must meet to avoid imposition of penalties for preparing a return where there is an understatement of tax and the tax preparer knew, or reasonably should have known, of the tax treatment of a return position.

Title: Information Reporting for Discharges of Indebtness

Abstract: The temporary regulations amend section 1.6050P-1 by adding a definition of creditor for purposes of section 1.6050P-1(b)(2)(iv). The definition will limit application of the 36-month nonpayment testing period (one of the identifiable events, triggering the information reporting requirements under section 6050P) to banks and other financial entities as defined in the original 1993 definition of applicable financial entities.

Title: Amendments to the Section 7216 Regulations--Disclosure or Use of Information by Preparers of Returns, Social Security Numbers

Abstract: This action proposes amendments to 26 CFR part 301 under section 7216 to provide modified rules relating to the disclosure of a taxpayer's social security number constituting tax return information to a tax return preparer located outside of the United States for purposes of tax return preparation. It proposes a limited exception to the general prohibition against disclosure of SSNs to tax return preparers located outside of the United States when the tax return preparer located in the United States has in place an "adequate data protection safeguard."

Title: Foreign Corporations

Abstract: The income tax regulations under section 367 will be amended to reflect the changes made to that section by the Tax Reform Act of 1984. Section 367 now provides generally that a foreign corporation will not be considered to be a corporation, for purposes of certain nonrecognition provisions of the Internal Revenue Code (Code), upon the transfer of property to such corporation by a U.S. person. The statute provides certain exceptions to that rule, exemptions to those exceptions, and special rules applicable to certain specified transfers. The regulations will provide guidance concerning the applicability of the general rule and its exceptions and special rules, including guidance concerning transfers of assets for use in

the active conduct of a trade or business, stock transfers, transfers of intangible assets, and transfers of branch operations that have operated at a loss.

Title: Use of General Accepted Accounting Principle (GAAP) Earnings as Earnings and Profits (E&P) of Foreign Corporations  
Abstract: The regulations are part of Treasury's ongoing simplification efforts. The regulations would modify the computation of earnings and profits (E&P) of foreign corporations by allowing taxpayers to account for inventory costs, using capitalization methods used for financial accounting purposes rather than the uniform capitalization rules required by section 263A. The regulations would also permit reliance on financial accounting conventions in computing depreciation for foreign corporations deriving less than 20 percent of gross income from U.S. sources and maintaining assets with tax bases not materially different from financial book bases. Use of these simplified rules may result in an accounting method change, which would ordinarily require the filing of Form 3115 (Application for Change in Accounting Method). However, the regulations waive this filing requirement if its conditions are met.

Title: Definition of "Highly Compensated Employee"

Abstract: The regulations define the term "highly compensated employee" under section 414(q) of the Internal Revenue Code (Code). Temporary and proposed regulations, under sections 414(q) and 414(s), were published February 19, 1988 (53 FR 4965). Final regulations, under section 414(s), were published September 19, 1991 (56 FR 47659), under project EE-129-86. The regulations under 414(q) were split off from project EE-129-86. It is anticipated that proposed regulations under section 414(q) will be published in the future under project REG-209558-92 (EE-32-92).

Title: Contingent at Closing Escrows

Abstract: The regulations will provide rules for taxing the income of a contingent at closing escrow. A contingent at closing escrow is, generally, established in connection with the sale or exchange of real or personal property to hold assets that will be distributable to the purchaser or seller based on the post-closing resolution of bona fide contingencies. The rules will require the purchaser or seller to take into account all items of income and deduction for Federal income tax purposes.

Title: Partial Payments on Offers in Compromise

Abstract: These proposed regulations would amend existing regulations regarding the submission of offers in compromise to reflect changes to the law made by section 509 of the Tax Increase Prevention and Reconciliation Act of 2005. The regulations

would require persons proposing to settle their tax liabilities for payments of less than the total amount determined and assessed to make partial payments when submitting their offer to compromise and while the offer is under consideration. The regulations would waive the partial payment requirement under specific conditions. The proposed regulations would also clarify when an offer in compromise is deemed accepted if the IRS has not taken action with respect to the offer within 2 years of the offer being submitted.

Title: Regulations Implementing Notices 2006-85 and 2007-48

Abstract: These regulations implement the rules announced in Notices 2006-85 (issued September 22, 2006) and 2007-48 (issued May 31, 2007). These notices announced that Treasury and the IRS would issue regulations under section 367(b) to address transactions where foreign or domestic corporations seek to avoid treating as a dividend the amount of property that a subsidiary transfers to its parent or its parent's shareholders in exchange for parent stock, which the subsidiary then uses to acquire the stock or assets of another corporation in a triangular reorganization.

Title: Application of Section 338 to Insurance Companies

Abstract: These proposed regulations by reference to temporary regulations incorporated within TD 9257 (71 FR 17990) provide guidance in the following areas: Guidance is provided with regard to the determination of the adjusted basis of section 197 amortizable assets resulting from certain reinsurance transactions and the interplay of those rules with regard to the requirement for the capitalization by insurance companies of policy acquisition expenses. These proposed regulations by reference to the temporary regulations provide rules that apply to insurance reserve increases by a new target insurance company after a stock purchase which is treated as a deemed asset sale under section 338. Additionally, these proposed regulations by reference to temporary regulations also allow the new target insurance company in a deemed asset sale to use the historical loss payment pattern elected by the old target under section 846(e) to continue to be used by new target insurance company, unless new target chooses to revoke that existing election.

Title: Guidance on Definition of Qualified Timber Property Under IRC Section 194

Abstract: Guidance on Definition of Qualified Timber Property under IRC section 194. The American Jobs Creation Act made significant changes to existing section 194 by adding an annual deduction for reforestation expenditures in the amount of \$10,000 per qualified timber property to the existing amortization of reforestation expenditures. Issues involving basis reduction have lead to a request for guidance on the definition of qualified timber property under section 194 as amended by the American Jobs Creation Act.

Title: Regulations Implementing Notices 2006-85 and 2007-48 (Temporary)

Abstract: These regulations implement the rules announced in Notices 2006-85 (issued September 22, 2006) and 2007-48 (issued May 31, 2007). These notices announced that Treasury and the IRS would issue regulations under section 367(b) to address transactions where foreign or domestic corporations seek to avoid treating as a dividend the amount of property that a subsidiary transfers to its parent or its parent's shareholders in exchange for parent stock, which the subsidiary then uses to acquire the stock or assets of another corporation in a triangular reorganization.

Title: Substitute for Return

Abstract: These final regulations reflect amendments to 26 CFR part 301 under section 6020 of the Internal Revenue Code. Section 301.6020-1 provides for the preparation or execution of returns by authorized Internal Revenue officers or employees. These regulations provide that a document (or set of documents) signed by an authorized Internal Revenue officer or employee is a return under section 6020(b) if the document (or set of documents) identifies the taxpayer by name and taxpayer identification number, contains sufficient information from which to compute the taxpayer's tax liability, and the document (or set of documents) purports to be a return under section 6020(b). A Form 13496, "IRC Section 6020(b) Certification," or any other form that an authorized Internal Revenue officer or employees signs and uses to identify a document (or set of documents) containing the information set forth above as a section 6020(b) return, and the documents identified, constitute a valid section 6020(b) return.

Title: Agreements to Payments of Tax Liabilities in Installments

Abstract: Section 6159 of the Internal Revenue Code allows the IRS to enter into agreements with taxpayers for the payment of tax liabilities in installments. The principal purpose of this project is to update the regulations under section 6159 to reflect various amendments to that section and related statutes. The proposed regulations govern the acceptance and rejection of installment agreements, the terms of those agreements and when they may be modified or terminated by the IRS, and appeal procedures when the IRS makes a rejection or termination decision.

Title: Securities-Related Activities of Savings Associations

Abstract: OTS is proposing to reduce regulatory burden by updating and revising its rules on securities-related activities of

savings associations. First, the proposed rule describes the existing authority of Federal savings associations to engage in various securities broker, dealer, and underwriting activities under the Home Owners' Loan Act (HOLA). This description should reduce compliance burdens by making OTS positions regarding the permissibility of these activities readily available to all. OTS is also updating the existing prohibition on the sale of debt and equity securities issued by a savings association or its affiliate at the offices of a savings association. This change will reduce burden on savings associations by adding new exceptions and by eliminating consumer protection rules that overlap, and in some cases conflict, with other Agency guidance. Finally, the proposed rule would eliminate various obsolete OTS securities activity regulations.

Title: Risk Based Capital--Market Risk Rule

Abstract: The Banking Agencies jointly issued a NPRM in September 2006 that revised a 1996 market risk rule that OTS had not adopted. OTS proposed to adopt the 2006 rule as revised. The Banking Agencies are now jointly re-proposing a market risk capital rule due to a decision to broaden the rule to address recent market events affecting the trading book. Upon adoption of a joint final market risk rule in late 2009, savings associations eligible for the market risk rule would adjust their risk-based capital ratios to reflect market risk.

Title: Recordkeeping Requirements for Savings Association Exceptions From Securities Broker or Dealer Registration

Abstract: The Gramm-Leach-Bliley Act of 1999 replaced broad exceptions for banks from the definitions of "broker" and "dealer" under the Securities Exchange Act of 1934 with specific exceptions. Each of the exceptions permits a bank to act as a broker or dealer with respect to specified securities products or in transactions that meet specific statutory conditions without being subject to regulation by the Securities Exchange Commission (SEC). More recently, the Financial Services Regulatory Relief Act of 2006 extended these same exceptions to savings associations and required the SEC and the Board of Governors of the Federal Reserve System (FRB) to jointly issue a rule to implement the exceptions. They issued a proposed rule on December 26, 2006. Following adoption of a final rule, the OTS, Office of the Comptroller of the Currency, FRB, and Federal Deposit Insurance Corporation will propose substantively identical recordkeeping rules for savings associations and banks and seek to avail themselves of the specific exceptions.

Title: Procedures To Enhance the Accuracy and Integrity of Information Furnished to Consumer Reporting Agencies Under Section 312 of the Fair and Accurate Credit Transactions Act

Abstract: The Office of the Comptroller of the Currency, Federal Reserve Board, Federal Deposit Insurance Corporation, Office of Thrift Supervision, National Credit Union Administration and Federal Trade Commission issued an Advance Notice of Proposed Rulemaking to gather information for developing guidelines and regulations required by section 312 of the Fair and Accurate Credit Transactions Act (FACT Act). They subsequently issued a proposed rule. Pursuant to section 312, the Agencies must (1) Establish guidelines for use by persons that furnish information to consumer reporting agencies regarding the accuracy and integrity of the consumer information that they furnish to those agencies; and (2) prescribe regulations that require furnishers to establish reasonable policies and procedures for implementing the guidelines. Section 312 also requires the agencies jointly to prescribe regulations that identify the circumstances under which a furnisher shall be required to reinvestigate a dispute concerning the accuracy of information contained in a consumer report on a consumer based on a direct request of the consumer. The comment period on the proposed rule closed in February 2008 and the various agencies are developing the final rule.

Title: Model Privacy Form Under the Gramm-Leach-Bliley Act

Abstract: OCC, the Board, FDIC, NCUA, FTC, CFTC, SEC, and OTS (the Agencies) proposed amendments to their rules that implement the privacy provisions of the Gramm-Leach-Bliley Act. These rules require financial institutions to provide initial and annual privacy notices to their customers. As required under section 728 of the Financial Services Regulatory Relief Act of 2006, the Agencies proposed a safe harbor model privacy form that financial institutions may use to provide disclosures under

the privacy rules. This proposal would remove the Sample Clauses contained in these rules as of 2 years after the date a final rule is published.

Title: Risk-Based Capital Guidelines; Capital Adequacy Guidelines; Capital Maintenance; Standardized Risk-Based Capital Rules

Abstract: In a joint NPR with the other banking agencies, OTS is proposing a new risk-based capital framework (standardized framework) based on the standardized approach for credit risk and the basic indicator approach for operational risk described in the capital adequacy framework titled "International Convergence of Capital Measurement and Capital Standards: A Revised Framework" (New Accord) released by the Basel Committee on Banking Supervision. The standardized framework would be available, on an optional basis, to a savings association that currently applies the general risk-based capital rules. However, it would not be available to a savings association that is required to use the advanced capital adequacy framework contained in the Basel II Final Rule. 72 FR 69288 (Dec. 7, 2007).

Title: Prohibited Service at Savings and Loan Holding Companies

Abstract: OTS adopted an interim final rule implementing section 710(a) of the Financial Services Regulatory Relief Act of 2006, which added a new section 19(e) to the Federal Deposit Insurance Act (FDIA). Section 19(e) of the FDIA prohibits any person who has been convicted of any criminal offense involving dishonesty or a breach of trust, or money laundering, or has agreed to enter into a pretrial diversion or similar program in connection with a prosecution for such an offense from holding certain positions with respect to a savings and loan holding company (SLHC). OTS is adopting a final rule implementing section 19(e) of the FDIA. The final rule describes the actions that are prohibited under the statute and describes procedures for applying for an OTS order granting a case-by-case exemption.

Title: Community Reinvestment Act Regulations

Abstract: The OCC, FRB, FDIC, and OTS are planning to issue a notice of proposed rulemaking to revise the term "community development" on a temporary basis, to include certain activities, including affordable housing, that revitalize or stabilize middle-income geographies designated by the agencies as affected by high levels of mortgage loan delinquencies and foreclosures. In addition, the proposal would provide favorable CRA consideration for credit, home-ownership, and foreclosure prevention counseling, and financial education to middle-income homeowners in default on the primary residence mortgage or where such default is reasonably foreseeable. The proposal would also incorporate into the agencies' rules statutory language that allows the agencies to consider capital investment, loan participation, and other ventures undertaken by nonminority-owned and nonwomen-owned financial institutions in cooperation with minority- and women-owned financial institutions and low-income credit unions.

Title: Basel II Standardized Approach

Abstract: The OCC, FRB, FDIC, and OTS have decided to withdraw the proposed revisions to the existing domestic risk-based capital framework known as Basel 1A. Instead, the Federal banking agencies proposed a new risk-based capital framework based on the Standardized Approach for credit risk and the Basic Indicator approach for operational risk described in the capital adequacy framework titled "International Convergence of Capital Measures and Capital Standards: A Revised Framework," published by the Basel Committee on Banking Supervision.

#### Regulatory Plan:

Statement of Need: This rulemaking is necessary to enhance the risk-sensitivity of the risk-based capital rules for those banks that will not be subject to the New Basel Capital Accord (Basel II) capital framework.

Legal Basis: The OCC is implementing the Basel II Standardized Approach capital framework for domestic financial institutions that choose to adopt it. This initiative is based on the OCC's general rulemaking authority in 12 U.S.C. 93a and its specific authority under 12 U.S.C. 3907 and 3909. 12 U.S.C. 3907(a)(2) specifically authorizes the OCC to establish minimum capital levels for financial institutions that the OCC, in its discretion, deems necessary or appropriate.

Alternatives: Please see the OCC's regulatory impact analysis, which can be found in its entirety at <http://www.occ.treas.gov/law/basel.htm> under the link of "Regulatory Impact Analysis for Risk-Based Capital Guidelines; Capital Adequacy Guidelines; Capital Maintenance: Standardized Risk-Based Capital Rules (Basel II: Standardized Option), Office of the Comptroller of the Currency, International and Economic Affairs (2008)."

Costs and Benefits: Not yet determined.

Title: Rules of Practice and Procedure; Civil Money Penalty Inflation Adjustments

Abstract: The OCC plans to issue a final rule to adjust civil money penalties (CMPs) to account for inflation. The Federal Civil Penalties Inflation Adjustment Act of 1990, as amended by the Debt Collection Improvement Act of 1996 requires federal agencies with authority to impose CMPs to publish regulations to adjust the maximum penalties for various CMPs. The purpose of these adjustments is to maintain the deterrent effect of CMPs and to promote compliance with the law.

Title: Community and Economic Development Entities, Community Development Projects, and Other Public Welfare Investments

Abstract: On July 30, 2008, the Housing and Economic Recovery Act of 2008 (HERA) was enacted into law. Section 2503 of the HERA (part of the Foreclosure Prevention Act of 2008) revises national banks' community development investment authority under 12 U.S.C. 24 (Eleventh) to permit national banks and their subsidiaries to make public welfare investments directly or indirectly if the investments primarily benefit low- and moderate-income areas, or other areas targeted by a governmental entity for redevelopment or if the investment would receive consideration under the part 25 CRA regulations as a "qualified investment." Title: Capital Adequacy Guidelines; Deduction of Goodwill Net of Associated Deferred Tax Liabilities

Abstract: The OCC, FRB, FDIC, and OTS plan to issue a proposal to permit banks, bank holding companies, and savings associations to compute the deduction from tier 1 capital of goodwill net of associated deferred tax liabilities. Under current capital rules, goodwill arising from nontaxable business combinations is deducted from tier 1 capital net of associated deferred tax liabilities. The rule would extend this treatment to goodwill arising from all business combinations, regardless of the tax status of the underlying transaction.

Title: Fair Credit Reporting Affiliate Marketing Regulations; Identity Theft Red Flags and Address Discrepancies Under the Fair and Accurate Credit Transactions Act of 2003; Technical Corrections

Abstract: The OCC, FRB, FDIC, OTS, NCUA, and FTC published final rules to implement the affiliate marketing provisions in section 214 of the Fair and Accurate Credit Transactions Act of 2003 (FACT Act) on November 7, 2007. The final rules provide model forms that a person can use for complying with the requirements of the rules. The technical corrections included in this Federal Register document include one clarification regarding the model forms and one clarification regarding the instructions accompanying the model forms. In each case, the technical corrections are being adopted to promote consistency between the model forms or instructions and the final rules. This Federal Register document also corrects four minor typographical errors in the final rules and supplement to the guidelines implementing section 114 of the FACT Act that the Agencies published in the Federal Register on November 9, 2007. The Federal Register document also corrects a minor error in the scope section of the FRB's final rules regarding identity theft red flags and modifies the captions in the NCUA's and FTC's final rules regarding identity theft red flags and address discrepancies.

Title: Risk-Based Capital Standards: Market Risk

Abstract: As part of the ongoing effort to implement the Basel II capital framework, the OCC is amending the current market risk capital requirements for national banks. See the International Convergence of Capital Measurement and Capital Standards: A Revised Framework (June 2004) and the Application of Basel II to Trading Activities and the Treatment of Double Default (April 2005). This rule is part of a rulemaking with FRB, FDIC, and OTS to make the current market risk capital requirements generally more risk sensitive for trading activities in banks and bank holding companies.

Title: Assessment of Fees

Abstract: The OCC is adopting as final an interim rule that amended its assessment regulation to add two new asset-size categories to the table in 12 CFR 8.2(a) used to calculate each national bank's semiannual assessment. The addition of these categories is warranted to take account of significant structural changes in the national banking system since 1992, when the table was last revised, and will enable the OCC to realign assessments to better reflect industry structure and OCC's corresponding expenses of operations.
