JURY QUESTIONNAIRE

General Instructions:

This questionnaire is designed to obtain information about your background as it is related to your service as a juror in this case. Its use will substantially shorten the jury selection process. The purpose of these questions is to determine whether prospective jurors can impartially decide this case based upon the evidence presented at trial and the instructions on the law given by the presiding judge. The questions are not intended to unnecessarily inquire into personal matters. All information contained in this questionnaire will be kept confidential and under seal.

You are sworn to give true and complete answers and those answers will be available only to the court and the parties in this case. The questionnaires belong to the court and all copies will be returned to the court. You are instructed not to discuss this case or the questionnaire with anyone, including your family and fellow jurors and members of the media.

Although some of the questions may appear to be of a personal nature, please understand that the Court and the parties must learn enough information about each juror's background and experiences to select a fair and impartial jury. Your cooperation is of vital importance. Please answer each question as fully and completely as possible. Your complete candor and honesty is necessary so that both the prosecution and the defense will have a meaningful opportunity to select an impartial jury.

Juror Number _____

You must answer all the questions, to the best of your ability. If you do not know the answer to a question then write, "I don't know." If the question does not apply to you, write "N/A". Please fill out the entire questionnaire. **DO NOT LEAVE ANY QUESTION BLANK.** It is important that the answers be yours alone. If you need more space for your responses or wish to make further comments regarding any of your answers, please use the Explanation Sheet at the end of the questionnaire. Put the number of the question you are answering on the Explanation Sheet before you write the response or comment.

Please keep in mind that there are no "right" or "wrong" answers, only complete and incomplete answers. Complete answers are far more helpful than incomplete answers. Remember, you are sworn to give true and complete answers to all questions.

Unless the question states otherwise, the fact that a particular question is asked does not imply that the subject matter of the question is an issue in this case. As you read the questions, you are not to draw any inferences about the issues which must be decided in this case. Do not write on the back of any page. **PLEASE PRINT OR WRITE LEGIBLY, and be sure to put your juror number on each page. When you have finished answering the Questionnaire, you must sign with your name. In that signature page you are affirming the accuracy of your answers. That page will be removed by court staff and will not be shown to any party.**
