**SUPPLEMENTARY INFORMATION:**

*Title:* Disclosure of Financial and Other Information by National Banks (12 CFR 18).

*OMB Control No.:* 1557-0182.

*Type of Review:* Extension, without revision, of a currently approved collection.

*Description:* The collections of information are found in 12 CFR 18.4(c) and 18.8. Section 18.4(c) permits a bank to prepare an optional narrative for inclusion in its annual disclosure statement. Section 18.8 requires that a national bank promptly furnish materials in response to a request.

The regulation applies to approximately 1,800 national banks and 50 Federal branches and agencies. Most banks will use their Call Reports or information prepared for annual reports as their disclosure material.

This program of periodic financial disclosure is needed, not only to facilitate informed decision making by existing and potential customers and investors, but also to improve public understanding of, and confidence in, the financial condition of individual national banks and the national banking system. Further, financial disclosure reduces the likelihood that the market will overreact to incomplete information.
