NOTICE OF PROPOSED RULE MAKING

Adopted: June 9, 2004

Released: June 18, 2004

Comment Date: August 8, 2004
Reply Comment Date: August 24, 2004

By the Chief, Video Division:

1. The Commission has before it a petition for rule making filed by Trinity Christian Center of Santa Ana, Inc., d/b/a Trinity Broadcasting Network (“Trinity”), licensee of station KTBN, Santa Ana, California. Trinity requests the substitution of DTV channel 33 for station KTBN’s assigned DTV channel 23c.

2. Trinity seeks to substitute DTV channel 33 for DTV 23c in order to operate as a full power DTV station during the DTV transition period. Trinity states that absent a change in DTV allocation from channel 23c to channel 33, Trinity will operate at a lower power to save costs, thus providing service to fewer viewers. Trinity states that the use of DTV channel 33 would permit station KTBN to replicate a substantially larger portion of its existing service area from its current site. Trinity claims that the Longley-Rice interference free service on channel 33 would be include 5,035,227 viewers as compared to only 13,429,034 viewers on channel 23c. Trinity also states that the proposed channel change will also enable KTBN to avoid the extra cost of purchasing a transmitter and other equipment which it will not use at the end of the DTV transition period.

3. We believe petitioner's proposal warrants consideration. DTV Channel 33 can be substituted for DTV Channel 23c at Santa Ana, California, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates 34-13-27 N. and 118-03-44 W. In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). Since the community of Santa Ana is located within 275 kilometers of the U.S.-Mexican border, concurrence from the Mexican government must be

obtained for this allotment. We propose to substitute DTV Channel 33 for DTV Channel 23c for station KTBN-DT at Santa Ana with the following specifications:

State & City	DTV Channel	DTV power (kW)	Antenna HAAT (m)
CA Santa Ana	33	1000	890

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Santa Ana, California	23c	33

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before August 9, 2004, and reply comments on or before August 24, 2004, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

Colby M. May
 205 3rd Street, SE
 Washington, DC 20003
 (Counsel for Trinity Christian Center of Santa Ana, Inc.)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making

proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
