**BILLING CODE 9110-10-P****DEPARTMENT OF THE INTERIOR****Fish and Wildlife Service**

[FWS-R4-R-2008-N0213; 40136-1265-0000-S3]

**Merritt Island National Wildlife Refuge****AGENCY:** Fish and Wildlife Service, Interior.**ACTION:** Notice of availability of the Final Comprehensive Conservation Plan and Finding of No Significant Impact.**SUMMARY:** The Fish and Wildlife Service announces that a Final Comprehensive Conservation Plan (CCP) and Finding of No Significant Impact (FONSI) for Merritt Island National Wildlife Refuge is available for distribution. This CCP was prepared pursuant to the National Wildlife Refuge System Improvement Act of 1997, and in accordance with the National Environmental Policy Act of 1969, and describes how the refuge will be managed for the next 15 years.**ADDRESSES:** A copy of the CCP/FONSI is available on compact diskette or hard copy, and you may obtain a copy by writing: Merritt Island National Wildlife Refuge (CCP), P.O. Box 2683, Titusville, Florida 32781. You may also access and download a copy of the CCP/FONSI from the Service's Web site address: <http://southeast.fws.gov/planning/>.**FOR FURTHER INFORMATION CONTACT:** Ron Hight, Telephone: 321/861-0667.**SUPPLEMENTARY INFORMATION:** With this notice, we finalize the CCP process for Merritt Island National Wildlife Refuge begun as announced in the **Federal Register** on August 26, 2002 (67 FR 54816). We released the Draft CCP/EA to the public, announcing and requesting comments for 60 days in a notice of availability in the **Federal Register** on December 27, 2006 (71 FR 77783).*Purpose of the Refuge:* Merritt Island National Wildlife Refuge was established in 1963, to protect migratory birds through an agreement with the National Aeronautics and Space Administration, as an overlay of John F. Kennedy Space Center. The over 140,000 acres of beaches and dunes, estuarine waters, forested and non-forested wetlands, impounded wetlands, and upland shrub lands and forests of the refuge support over 500 wildlife species and over 1,000 plant species, including a variety of waterfowl, shorebirds, and neotropical migratory birds.*Alternatives and Preferred Alternative:* The Draft CCP/EA addressed several priority issues raised by the Service, the Florida Fish and Wildlife Conservation Commission, other governmental partners, and the public. These issues included the spread of exotic, invasive, and nuisance species; the threats to threatened, endangered, and other imperiled species; the threats and impacts of an ever-increasing human population and the associated demand for public use activities; the management/maintenance of impounded wetlands; the coordination between intergovernmental partners; and the decline in migratory birds and their habitats.
