Correction to: "Asymptotically Efficient Spherical Codes—Part I: Wrapped Spherical Codes" *

Jon Hamkins and Kenneth Zeger

January 2, 2001

The last centered equation in the left column on page 1778 has a typographical error. The incorrect equation is:

$$F_k(\alpha) = \frac{2}{\pi} \int_{\sec^{-1}((k-1)/2)}^{\alpha} F_{k-2}(\beta) d\theta$$

whereas it should have instead been:

$$F_k(\alpha) = \frac{2}{\pi} \int_{(\sec^{-1}(k-1))/2}^{\alpha} F_{k-2}(\beta) d\theta.$$
