PA AN 1214 (1940-G, 1794)  
March 15, 2007

**SUBJECT:** PUBLIC AND PRIVATE PARTY NOTICES  
**TO:** All Employees  
Rural Development, Pennsylvania

**PURPOSE/INTENDED OUTCOME:**

To provide guidance on RD Instruction 1940-G – Exhibit C and 7CFR Part 1794 – Environmental Policies and Procedures regarding Public and Private Party Notices.

**COMPARISON WITH PREVIOUS AN:**

This replaces PA AN 1168 (1940-G, 1794) that expired on March 30, 2004.

**IMPLEMENTATION RESPONSIBILITIES:**

The Rural Development Field Office, as the preparer of the environmental documentation, is responsible for providing guidance to the applicants regarding compliance with public involvement requirements. The preparer will use the spreadsheet (Attachment A) with this PA AN to determine the type of Public/Private Party Notice required, and the guidance letters (Attachments B, C, and D) to develop appropriate Notices.

If you have the previous guidance letters saved on the computer, please be sure to use these revised formats. **APPROPRIATE INFORMATION SPECIFIC TO EACH PROJECT MUST BE COMPLETED IN THE HIGHLIGHTED AREAS OF THE GUIDANCE LETTERS.**

**IMPLEMENTATION PROCESS:**

The following steps should be followed to ensure compliance with Rural Development policies on Public and Private Party Notices for environmental reviews:

1. Preparer must determine the regulation (1940-G or 1794) applicable to the proposed project.

**EXPIRATION DATE:** March 31, 2008

**FILING INSTRUCTIONS:**  
Preceding RD Instruction 1940-G,  
7CFR 1794 Policies and Procedures

One Credit Union Place, Suite 330, Harrisburg, PA 17110-2996  
(717) 237-2299 TTY/TDD & Voice 711; TTY/TDD Only 1-800-654-5984

Committed to the future of rural communities.

"USDA is an equal opportunity provider, employer and lender."  
To file a complaint of discrimination, write to USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, DC 20250-9410 or call (800) 795-3272 (voice) or (202) 720-6382(TDD).

2. Preparer must decide the type of environmental review to be conducted. [Categorical Exclusion, modified Class I, Class I, Class II, Environmental Assessment under 1794, or Environmental Impact Statement (EIS).] If an EIS is required, contact the Program Director and the State Environmental Coordinator (SEC).
3. Preparer determines the potential for impact on important resources such as Farmland, Floodplain, Wetland and Cultural Resources.
4. Preparer determines the type of Public Notices required. Refer to the spreadsheet, Attachment A. Note the following comments:

- Preliminary Notice:

Required when there is potential impact on important resources, for Class I and Class II (not required for Categorical Exclusions and Modified Class I) under 1940-G.

Required for Categorical Exclusions (not for Cat. Ex. with no impact) and Environmental Assessments under 1794 that may impact important resources.

Review period of 30 days from 3<sup>rd</sup> day's Public Notice for 1940-G and 30 days from the 1<sup>st</sup> day's Public Notice for 1794.

Can combine with Availability Notice.

- Availability Notice:

Required under 1794. Not required under 1940-G. Similar to Preliminary Notice.

Required irrespective of the impact on important resources.

Review period 30 days from the 1<sup>st</sup> day's Public Notice.

Can be combined with Preliminary Notice.

- Private Party Notification:

Required when the facility is located in Floodplain or Wetland, for all environmental reviews, under both 1940-G and 1794.

Send at the time of Preliminary/Availability Notice.

- Final Notice:  
Required when there is a Preliminary Notice.

Publish only after the 30-day review period.

Address any review comments received prior to Publishing.

15-day review period from 3<sup>rd</sup> day of Notice, under 1940-G.

0-day review period for Categorical Exclusion under 1794.

0 to 15-day review period as established by SEC, from 1<sup>st</sup> day's Public Notice for Environmental Assessments under 1794.

Can be combined with FONSI Public Notice.

- FONSI Notice: (Note FONSI Notice, as opposed to FONSI statement to File)  
Required for all Class II under 1940 G and Environmental Assessments under 1794.

Address any review comments received prior to Publishing.

15-day review period from 3<sup>rd</sup> day of Notice, under 1940-G.

0 to 15-day review period as established by SEC, from 1<sup>st</sup> day's Public Notice for Environmental Assessments under 1794.

Can be combined with Final Notice.

5. Require the applicant to send individual copy of Public Notices to the parties listed in Attachment F.
6. Obtain an affidavit of the Publication, a copy of the Notice as it appeared in the News- paper, and a list of all parties receiving individual copy of the Notice.
7. Application will not be approved until the comment period has been expired. Comments received must be incorporated in the environmental document and considered in the decision making process.

If you have any questions on this subject, please contact the Program Director or State Environmental Coordinator.

***Combined Preliminary Notice of Potential Impact on Important Resources, and  
Notice of the Availability of an Environmental Assessment***

***Project/Applicant's Name***  
***Name County, Pennsylvania***

The USDA, Rural Development has received an application/*pre-application* for financial assistance; *disposal of inventory property*; from *name of applicant, Name* County, Pennsylvania. As required by the National Environmental Policy Act, the Rural Development has prepared an Environmental Assessment that evaluated the potential environmental effects and consequences of the proposed request. This notice announces the availability of this Environmental Assessment for public review and comment.

The proposed project involves *(describe the projects construction activities, basic components, locations)*.

If implemented, the proposed projects may *(insert issue - convert important farmland or affect floodplain and wetland or historical/archeological resources - include acreage, locations)*. The alternatives considered include: *(insert a very brief summary of alternatives and locations considered and discussed in the Environmental Assessment)*. The purpose of this notice is to inform the public of this proposed conversion and request comments concerning the proposed projects, alternative sites, or actions that would avoid these impacts, and methods that could be used to minimize these impacts.

Copies of the Environmental Assessment are available for review at:

USDA Rural Development, *(name and address of the processing office)*

For further information contact:

*(Name and telephone number of the processing officer)*

Any person interested in commenting on the proposed project should submit comments to the address below by *[have newspaper insert a date that is 30 days from the first (third for 1940-G) publication date]*:

*(Insert name and address of the approving/concurring official;  
If state office approval is required, insert the Program Director's)*

A general location map of the proposed project is available at the *(insert address)*.

**Combined Final Notice of Potential Impact on Important Farmland,  
Floodplain, Wetland, or Historical/Archeological Resources and  
Notice of a Finding of No Significant Impact**

**Project/Applicant's Name**

**Name** County, Pennsylvania

The USDA, Rural Development has received an application for financial assistance; *disposal of inventory property*; from *name of applicant, Name* County, Pennsylvania. The proposed project involves *(describe the project's construction activities, basic components, locations)*.

As required by the National Environmental Policy Act, the Rural Development has assessed the potential environmental effects of the proposed project. It has been determined that the location of *(insert specific elements of project such as treatment plant/pump station/ parking lot)* would impact *(insert specific resource such as floodplain/historic property)*. It has been determined that there is no practicable alternative to avoiding this impact. *<~( include only if there is an unavoidable impact.)* Rural Development has further determined that the proposal will not have a significant effect on the human environment and, therefore, an Environmental Impact Statement will not be prepared. The basis of this determination is: *(briefly summarize reasons for the location and no practicable alternative, state conformance with applicable PA or local protection standards.)*.

In order to avoid or minimize any adverse environmental impacts, the Rural Development will require the applicant to incorporate the following mitigation measures into the proposed project's design: *(insert all proposed mitigating measures and locations)*.

*(If applicable, insert statement indicating other participating agencies)*.

Copies of the Environmental Assessment are available for review at:

USDA Rural Development, *(name and address of the processing office)*

For further information contact:

*(Name and telephone number of the processing officer)*

A general location map of the proposed project is available at the *(insert address)*.

*[If additional public review period is required, insert (Any person interested in commenting on the proposed project should submit comments to the address below by (have newspaper insert a date that is 15 days from the first (third for 1940-G) publication date)]*

(Private Party Notification)

*Insert Applicant's Name and Address*

RE: *[Project Name]*

Dear *Applicant,*

Based on an environmental review performed, the proposed project submitted for financial assistance to Rural Development contains facilities located in a floodplain. In accordance with Executive Order 11988 - Floodplain Management, Section 4, this letter serves to notify you of the hazards of locating a facility in a floodplain. These hazards include but are not limited to *(include information applicable to the project such as damage to or loss of real property, personal property or other assets).*

Applicants must obtain flood insurance for all insurable structures located in special flood hazard areas designated by the Federal Emergency Management Agency on Flood Insurance Rate Maps.

If you have any questions, please contact us at *telephone number.*

Sincerely,

---

**NAME OF APPLICANT/  
ATTN: ....., Chairman  
ADDRESS**

**Re: USDA, Rural development's Preliminary Notice/ Notice of Availability/Combined/  
Final/FONSI of an Environmental Assessment for applicant's name, .....  
County, PA**

Dear Mr./Ms. Name:

USDA, Rural Development has initiated/reviewed/completed the Environmental Report/  
Assessment of the (applicant's name) proposed (type of) project. Before further consideration  
can be given to your project/an environmental review can be completed, USDA regulations  
require that a (insert applicable statement)

- Notice of the Availability of an Environmental Assessment
- Preliminary Notice of Potential Conversion of Important Farmland, Floodplain, Wetland, or an  
Adverse Effect to a Cultural Resource,
- Finding of No Significant Environmental Impact (FONSI)
- combined Final Notice and FONSI

(copy attached) be published in a newspaper of local circulation in the area affected by the  
proposed project. The notice should be of reasonable size and prominence and not be placed in  
the classified or legal section or an obscure portion of the newspaper. The publication frequency  
shall be three (3) consecutive days for daily newspapers or two (2) consecutive weeks in weekly  
newspapers. An individual copy of the notice must also be sent to the agencies contacted during  
the environmental review, local, county and regional planning agencies, landowners or residents  
who live or own property adjacent to facilities or are directly affected by construction of the  
facilities and interested individuals or groups. It is the (insert name of applicant) responsibility to  
make the necessary arrangements to publish and distribute the enclosed notice.

You must provide the (insert name of Rural Development Office preparing the assessment) with a  
copy of the published notice as it appeared, the name(s) of the newspaper(s) in which the notice  
was published, the dates of publication, an affidavit of publication and a list of all parties  
receiving an individual copy of the notice soon after publication, but not later than the end of the  
comment period.

If you have any questions, please contact (name of the preparer and title) in the (name of RD  
office) at  
(telephone number).
