August 7, 2003

# H.R. 1813

### **Torture Victims Relief Reauthorization Act of 2003**

As ordered reported by the House Committee on International Relations on July 23, 2003

#### SUMMARY

H.R. 1813 would authorize the appropriation of \$37 million in 2004, \$44 million in 2005, and \$51 million in 2006 for programs to provide assistance for the treatment of victims of torture. The bill would authorize funding for the Department of Health and Human Services and the U.S. Agency for International Development for domestic and international centers and programs for the treatment of victims of torture. The bill would also authorize a contribution to the United Nations Voluntary Fund for Victims of Torture. CBO estimates that implementing H.R. 1813 would cost \$117 million over the 2004-2008 period, assuming the appropriation of the authorized amounts. The bill would not affect direct spending or receipts.

H.R. 1813 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act (UMRA) and would not affect the budgets of state, local, or tribal governments.

#### ESTIMATED COST TO THE FEDERAL GOVERNMENT

The estimated budgetary impact of H.R. 1813 is shown in the following table. The costs of this legislation fall within budget functions 150 (international affairs) and 600 (income security).
