Dear Ms. Cohen:

Thank you very much for your letter of August 18 regarding the disappearance of Enrique Walker. On the basis of Mrs. Walker's letter to Commissioner Mezvinsky, we have presented an inquiry to the Foreign Office Working Group on Human Rights regarding the disappearance.

We have also written his mother, Edith Gardey de Walker, informing her of our inquiry on behalf of her son (copy attached).

I very much appreciate your backstopping efforts for our human rights efforts here in Argentina.

Sincerely yours,

Maxwell Chaplin  
Chargé d'Affaires ad interim
