## InCOME AND ASSETS

## Q13-1A

We now have some questions about your income, assets, and household spending in 1999. We appreciate that our questions are difficult to answer and sometimes seem intrusive.
However, the spending and saving patterns of Americans are of national importance, and your answers to these questions provide us with the most reliable figures on your generation's spending and saving habits. As with other questions in this survey, we want to reassure you that the information you provide to us is kept confidential.

1 General cash assistance to needy families (General public assistance or other general welfare cash payments)
2 Other targeted cash payments
3 Other non-cash benefits
4 Both (1) and (2 or 3) (General cash assistance and either other targeted cash payments or other non-cash benefits)
Lead-In: Q13-OWELF-1 [Def]
