

COMDTINST 1754.2

**25 OCT 1988**

COMMANDANT INSTRUCTION 1754.2

**Subj:** Family Services Available to Coast Guard Personnel Through the Extension Service, U. S. Department of Agriculture (USDA)

**Ref:** (a) Memorandum of Understanding signed 22 April 1988 between U. S. Coast Guard and USDA Extension Service (NOTAL)

1. PURPOSE. The purpose of this Instruction is to provide information and guidance concerning the availability of educational services support to Coast Guard families from the USDA Extension Service. The information will be of primary benefit to Coast Guard Family Support Programs users but will be of interest to all Coast Guard members. DOD members now receive these services under an agreement similar to reference (a).
2. APPLICATION. This **Instruction** applies to all active duty and retired Coast Guard members and their dependents.
3. DISCUSSION.
  - a. SERVICES PROVIDED. The USDA's Extension Service coordinates and provides administrative, technical, and other services to a **nationwide** Cooperative Extension System, in partnership with State and local governments and the private sector. The primary function of this system is to help people and communities identify and solve family, home, and community problems through the practical application of research findings by USDA and the land-grant colleges and universities. These problems include food and nutrition, financial, resource, and energy management, child development, family life education, and interpersonal and parenting skills.

3. b. EDUCATION. The Extension Service of the U. S. Department of Agriculture has in place a professionally-staffed network to deliver educational programs to urban and rural families and youth. The system includes personnel in the 50 States, Puerto Rico, the Virgin Islands, Guam, American Samoa, Micronesia, and the District of Columbia, and is linked to worldwide educational programs through the U. S. Department of Agriculture and overseas operations of State land-grant universities.
  - c. INFORMATION. Unit commanding officers can capitalize on readily available, reliable resources and delivery systems for information and programming to help Coast Guard members and their families by using the Extension Service network and expertise. Coast Guard members and their families can benefit from Cooperative Extension Service programs more fully described in enclosure (1).
  - d. IMPLEMENTATION. Commandant (G-PS-4) is responsible for coordinating and monitoring implementation of this Memorandum of Understanding through Coast Guard area and district commanders, maintenance and logistics commands (MLC's), Headquarters units, and especially their Social Workers and Family Advocacy Representatives (FAR's).
4. PROCEDURES. To initiate services from the Extension Service, interested personnel should:
  - a. Contact the local cooperative Extension Office listed in the phone directory under "State Or Federal Government",
  - b. Contact the Assistant Director/State Leader of Extension Home Economics (see enclosure (2)), or
  - c. Contact the State Director of Extension Service (see enclosure (3)).
5. ACTION. Area and district commanders, commanders of maintenance and logistics commands, unit commanding officers, and Commander, Coast Guard Activities Europe shall ensure the widest dissemination of this information.

## COOPERATIVE EXTENSION SERVICE PROGRAMS

1. Child Development and Family Relationships, to include help in promoting maximum development of the child and family unit, **improving** communication skills, adjusting to changes coping with stress, reducing child/spouse abuse, helping special needs of family members and managing latch key children. The needs of relocating families may be included, with local Extension staff providing guidance and support in establishing community ties.
2. Preventive Education for Teens, including opportunities for teens to **participate** in constructive activities and programs that will help them build self-esteem, self-discipline, develop decision making and communications skills, and experience positive peer interaction and receive attention and guidance from responsible adults. Teens, parents, and volunteers will receive support in dealing with the pressures that can lead to teen stress, substance abuse, and suicide, **and** training to identify **warning** signs including how to provide appropriate help or referral.
3. Financial Management and Consumer Education, to include programs in money management, budgeting, managing debt, increasing savings/investments, insurance decision making, consumer rights, ~~responsibilities~~ and obligations, and consumer/family laws affecting the family's economic well-being.
4. Career Development Programs, to include improving and marketing skills, preparing for the job market, and **pre-employment** and employment assistance. Programs will be provided for teens and adults, with special attention to the employment needs of the civilian spouse in a relocating military family.
5. Leadership Development ; for youth and adult volunteers will include training and experiences in teaching, organization, leadership, and management, as **well as** knowledge in the fields of child and human development, and educational subject matter. Identification and recruitment of volunteer resources will be addressed, including involving retired military personnel living near bases, utilizing other community Extension volunteers, and methods to identify and involve trained volunteers in Extension work at other military installations as their **families** are transferred.
6. Family Wellness and Homemaking Skills Assistance, to include food and nutrition education, diet and health information, **clothing** care and maintenance, energy conservation, and home repair and maintenance.
