

H.R. 2034, Medicare For All Act

Introduced by the Honorable John D. Dingell on April 25, 2007

Text of the Legislation (in pdf)

Original Cosponsors (in pdf)

"...

Today I am introducing 'Medicare for All.' It will make the tried, true, and trusted Medicare program available to everyone under age 65. ... If comprehensive healthcare coverage is available to all Americans, better preventative services and earlier treatments will be received, lowering healthcare costs."
