

**CONGRESSIONAL BUDGET OFFICE  
COST ESTIMATE**

**H.R. 2055**

**A bill to amend Public Law 89-366 to allow for an adjustment  
in the number of free-roaming horses permitted in  
Cape Lookout National Seashore**

*As ordered reported by the House Committee on Resources on September 24, 2003*

H.R. 2055 would raise the existing ceiling on the number of free-roaming horses that the National Park Service may maintain at Cape Lookout National Seashore. Based on information provided by the agency, CBO estimates that allowing the herd to increase from the current limit of 100 animals to a maximum of 130 would have no significant effect on the cost of operating the national seashore.

This legislation contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

The CBO staff contact for this estimate is Deborah Reis. This estimate was approved by Peter H. Fontaine, Deputy Assistant Director for Budget Analysis.
