Description of Type Design Change:

Requirements for the installation of Honeywell Digital Air Data Computer (DADC) are contained in Honeywell Master Data List No. ML4082216 Revision “-”, dated December 8, 1994, or later FAA approved revisions. To determine which configuration(s) of the DADC have been approved, refer to the appropriate appendixes in the FAA Approved Master Data List.

Limitations and Conditions: This installation should not be incorporated to any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effects upon the airworthiness of the aircraft. Refer to the appropriate appendixes in the FAA Approved Master Data List for any other limitations. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
