ORDER GRANTING BLANKET AUTHORIZATION
TO IMPORT AND EXPORT NATURAL GAS,
FROM AND TO CANADA AND MEXICO, AND
TO IMPORT LIQUEFIED NATURAL GAS FROM
VARIOUS OTHER INTERNATIONAL SOURCES

DOE/FE ORDER NO. 2090

MAY 20, 2005

I. DESCRIPTION OF REQUEST

On May 3, 2005, EnCana Marketing (USA) Inc. (EnCana) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA),^{1/} for blanket authorization to import and export up to a combined total of 500 billion cubic feet of natural gas from and to Canada and Mexico, and to import liquefied natural gas (LNG) from various other international sources. The applicant requests the authorization be granted for a two-year term beginning June 30, 2005. EnCana is a Delaware corporation with its principal place of business in Calgary, Alberta.

II. FINDING

The application has been evaluated to determine if the proposed import and export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import and export of natural gas from and to nations with which there are in effect free trade agreements requiring national treatment for trade in natural gas, and the import of LNG from other sources, are deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by EnCana to import and export natural gas from and to Canada and Mexico, nations with which free trade agreements are in effect, and the import of LNG from various other international sources, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.

^{1/} 15 U.S.C. § 717b. This authority is delegated to the Assistant Secretary for Fossil Energy pursuant to Redefinition Order No. 00-002.04 (January 8, 2002).
