Adopted: August 27, 2002

Released: August 29, 2002

By the Chief, Policy Division, Media Bureau:

1. UACC Midwest, Inc. d/b/a TCI Cablevision of Vacaville ("TCI-V") filed with the Commission on November 17, 1997 an appeal of local rate order adopted by the City of Vacaville, California ("City") on October 16, 1997. Along with its appeal, TCI-V also filed a request for emergency stay on November 19, 1997.

2. In a Joint Motion to Withdraw Appeal of Local Rate Order filed on February 14, 2002, TCI-V states that it has now reached an acceptable resolution of this matter with the City. TCI-V and the City request that the appeal, request for emergency stay, as well as all subsequent filings related to these proceedings be withdrawn and dismissed with prejudice and without benefit of substantive Commission review. This withdrawal resolves all basic service tier rate matters pending before the Commission involving TCI-V and the City.

3. Accordingly, **IT IS ORDERED** that the Joint Motion to Withdraw Appeal of Local Rate Order filed by UACC Midwest, Inc. d/b/a TCI Cablevision of Vacaville and the City of Vacaville, California **IS GRANTED** and the appeal filed on November 17, 1997 and emergency stay filed on November 19, 1997 by TCI-V **ARE DISMISSED**.

4. This action is taken pursuant to authority delegated by Section 0.283 of the Commission's rules. 47 C.F.R. § 0.283.
