S. 2127

**A bill for the relief of the Pottawatomi Nation in Canada for the
settlement of certain claims against the United States**

As reported by the Senate Committee on the Judiciary on September 5, 2002

S. 2127 would direct the Secretary of the Treasury to pay \$1,830,000 to the Pottawatomi Nation in Canada in accordance with the terms and conditions of the Stipulation for Recommendation of Settlement dated May 22, 2000, entered into between the Pottawatomi Nation in Canada and the United States. Because the legislation would increase direct spending, pay-as-you-go procedures would apply. The bill contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.
