**ERRATA**

**Released:** September 20, 2000

By the Chief, Accounting Policy Division:

On August 31, 2000, the Commission released an Order and Further Notice of Proposed Rulemaking in the above-captioned proceeding.<sup>1</sup> Because the Order and Further Notice of Proposed Rulemaking does not impose modified reporting and/or recordkeeping requirements or burdens on the public, the Commission is not required to obtain any approvals from the Office of Management and Budget, as required by the Paperwork Reduction Act of 1995. As such, these errata amend the Order and Further Notice of Proposed Rulemaking as follows:

- (1) Delete paragraph 7 and replace it with the following text: “The action contained herein has been analyzed with respect to the Paperwork Reduction Act of 1995 (PRA) and does not impose modified reporting and/or recordkeeping requirements or burdens on the public.”; and
- (2) Delete the second and third sentences of paragraph 41.
