AMERICAN SAMOA MEDICAID PROGRAM

HON. ENI F.H. FALDOMAEGA

OF AMERICAN SAMOA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 1, 2002

Mr. FALDOMAEGA. Mr. Speaker, I rise today to introduce a bill to provide American Samoa with treatment under the medicaid program similar to that provided to States.

American Samoa receives only about \$3 million annually in medicaid reimbursement. Each year, American Samoa's expenditures exceed its federal fiscal ceiling. For example, in FY 2000, Medicaid expenditures were \$4,909,677, or \$1,709,677 over ceiling. Although Congress adjusts the federal fiscal ceiling annually for the states based on the percentage change in the medical care component of the consumer price index for the preceding year ending in March, this adjustment has very little relation to the needs of American Samoa.

The fact of the matter is American Samoa pays a higher federal match than 40 other states yet the per capita income in American Samoa is less than \$4,500 per year. More than 56% of the population lives below the poverty level. All on-island health care is provided by the LBJ Tropical Medical Center.

Construction of the LBJ medical center was completed in 1967. The in-patient wards have

not been renovated since this time. The patient wards have no air conditioning. Bathroom and washroom facilities are inadequate and many of these wards do not even meet fire safety codes and ADA standards and requirements.

In order to meet fire safety codes and ADA standards, the LBJ Tropical Medical Center is in need of upgrading or installing restrooms, medical air, medical vacuums, piped oxygen, proper lighting, a nurse call system, a fire sprinkler system, and sufficient electrical outlets for medical equipment.

However, the LBJ Tropical Medical Center does not operate at a profit and is consistently strapped for funds because every year medicaid expenditures exceed the federal fiscal ceiling. Mr. Speaker, I am not asking for millions of dollars to address the inequity that currently exists in the way we provide for the medicaid needs of American Samoa.

I am simply asking that the federal ceiling for American Samoa be raised to \$10 million. I am also asking that the calculations used to determine the federal match for the states be applied to American Samoa. Currently, our federal match is fixed at 50%. Year after year we're at 50% with no thought or review or consideration by Congress to adjust this match to more adequately address our needs.

Mr. Speaker, it is time for the U.S. Congress to take this issue seriously. The bill I have put forth is a fair and reasonable approach to provide for the health care needs of low-income residents in American Samoa. I urge my colleagues to support this bill.

IN HONOR OF CAUSE-VISION 21 AND ASIAN PACIFIC AMERICAN HERITAGE MONTH

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 1, 2002

Mr. SCHIFF. Mr. Speaker, I rise today in honor of Asian Pacific American Heritage Month. The month of May marks the 25th year in which we honor the accomplishments and struggles of the Asian Pacific American community in this great nation.

I am proud that the region I represent in Congress is a diverse one and is home to many people of Asian Pacific heritage. So many constituents have distinguished themselves through their accomplishments in education, business, medicine and science, and other forms of public and private sector involvement, and through a strong successful family life. To commemorate Asian Pacific Heritage Month, I would like to highlight the remarkable accomplishments of an organization in my Congressional district, committed to supporting and inspiring change in the area of civic participation for the Chinese American and Asian American communities.

Cause-Vision 21, established in 1993, is dedicated to advancing the political empowerment of the Chinese American and Asian American communities through voter education, community outreach and leadership development. They have established dynamic and innovative programs designed to increase awareness and access to the political process.

Once such program, the Chinese American Student Internship Coalition (CASIC), cele-

brating its tenth year, provides Chinese American college students with the opportunity to gain hands-on experience with the political process and a deeper understanding of issues important to the Chinese American community. By being placed in a legislative office, each student is given an opportunity to become more aware of current legislative initiatives being debated in California's State Legislature.

Along with CASIC, Cause-Vision 21 offers a number of community forums on a broad range of issues, voter registration drives, and get-out-the-vote efforts. Due to their efforts, the political awareness of the Chinese American community has risen exponentially and the voter registration of this group has grown considerably since the organization's inception.

I ask all Members of Congress to join me in honoring Cause-Vision 21, an organization striving to ensure that Asian Americans have a strong voice in the democratic process. Their efforts on behalf of the community have been extraordinary.

TRIBUTE TO CHRISTINE AND ORAL EDWARDS

HON. MARION BERRY

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 1, 2002

Mr. BERRY. Mr. Speaker, I rise today to pay tribute to two great American citizens, and I am proud to recognize Christine and Oral Edwards in the Congress for their invaluable contributions and service to Arkansas on the occasion of their fiftieth wedding anniversary.

Chris, the daughter of Frank and Effie Austin of Blytheville, and Oral, the son of Jesse and Grace Edwards, were married on May 11, 1952 at the First Baptist Church in Blytheville, AR by Reverend David McPeak. The story of their meeting is practically lifted from the pages of a Hollywood movie script.

They met in the summer of 1951 when Chris was home from Southwestern College and working at Farmer's Bank and Trust in Blytheville. A friend of hers had told her about Oral, and she wanted to meet him. She knew that he worked at the grocery store on Saturdays, so she went to shop with her parents one Saturday.

Oral ended up carrying out her family's groceries to the car. When he turned to go back in the store, she called out his name. When he turned around, she knew it was him, and she invited him to go to church with her. He didn't go, but later called for a date. They dated for about a year and decided to get married. They had no money and no car. Friends chipped in to help with the wedding arrangement, and they had a beautiful wedding. The rest as they say is history.

The Edwardses have two children and six grandchildren. Steve, their first born, lives in Marianna with his wife, Laura. Steve and Laura have three children. Ashley, the oldest, lives in Maumelle with her husband Paul Rowton. Leigh is a student at Arkansas State University, and Steve, Jr., the youngest, is a first grader at Lee Academy.

Susan, their daughter, lives in Memphis, Tennessee with her husband, Dr. Jim DeRossitt. Susan and Jim also have three
