Dear FCC:

Hi I'm sirius radio user and I love it. A friend of me got me to buy cause he showed me his. I love the variety of channels. I get so tired of hearing the same songs over and over and over again from regular Fm radio. Now I don't have to listen to that again and its great. I think the merger will make things alot better. I'll more channels to choose from and can pick only 50 for 7.00 a month. Now thats a deal for real. I payed for a full year right up front. I'm hoping by the time my year is up the merger is through and I can save a couple dallors more. A couple dallors here and there really comes in handy towards gas. I have money friends who want to go siruis cause its so much better, but there waiting for the merger to go through. Weather you pass it or not. I'm a sirius customer for ever unless things happen and I just can't afford it any more. So please pass this merger through. It'll be great for everybody involved.

Sincerely,

Shawn Shive
