ORDER VACATING BLANKET AUTHORIZATION
TO IMPORT NATURAL GAS FROM CANADA

DOE/FE ORDER NO. 2276-A

On October 27, 2006, the Office of Fossil Energy (FE) of the Department of Energy (DOE) granted blanket authorization to Cannat Energy Inc. (Cannat) in DOE/FE Order No. 2276 (Order 2276) (2 FE ¶71,347) to import natural gas from Canada over a two-year term beginning on December 1, 2006, and extending through November 30, 2008.

On February 13, 2008, Cannat requested new blanket authority that would include both the import and export of natural gas from and to Canada. Since the new authorization will supersede the current authorization, Cannat has requested that DOE vacate Order 2276 to be effective February 29, 2008, the effective date of the new authorization.

Accordingly, pursuant to section 3 of the Natural Gas Act, the authorization to import natural gas in Order 2276 is hereby vacated, effective February 29, 2008.

Issued in Washington, D.C., on February 26, 2008.
