ORDER GRANTING BLANKET AUTHORIZATION TO  
IMPORT AND EXPORT NATURAL GAS  
FROM AND TO CANADA AND MEXICO

DOE/FE ORDER NO. 2304

NOVEMBER 22, 2006

## I. DESCRIPTION OF REQUEST

On October 24, 2006, Fortis Energy Marketing & Trading, GP (FEMT) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA),<sup>1</sup> for blanket authorization to import and export up to a combined total of 730 billion cubic feet (Bcf) of natural gas from and to Canada and to import and export up to a combined total of 500 Bcf of natural gas from and to Mexico. The applicant requests the authorization be granted for a two-year term beginning on December 1, 2006.<sup>2</sup> FEMT is a Delaware corporation with its principal place of business in Houston, Texas.

## II. FINDING

The application has been evaluated to determine if the proposed import and export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), of the NGA, the import and export of natural gas from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG are deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by FEMT to import and export natural gas from and to Canada and Mexico, nations with which a free trade agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.

<sup>2</sup> FEMT's blanket authorization to import and export natural gas from and to Canada, granted by DOE/FE Order No. 2084 on April 25, 2005, extends through May 31, 2007 (2 FE ¶ 71,104) and the blanket authorization to import and export natural gas from and to Mexico, granted by DOE/FE Order No. 2120 on August 22, 2005, extended through October 31, 2007 (2 FE ¶ 71,172).
