FE DOCKET NO. 07-21-NG

ORDER GRANTING BLANKET AUTHORIZATION TO  
EXPORT NATURAL GAS TO CANADA

DOE/FE ORDER NO. 2342

APRIL 3, 2007

I. DESCRIPTION OF REQUEST

On March 22, 2007, St. Lawrence Gas Company, Inc. (St. Lawrence), filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA),<sup>1</sup> for blanket authorization to export up to 2 billion cubic feet of natural gas to Canada. The applicant requests the authorization be granted for a two-year term beginning on the date the Order is issued. St. Lawrence is a New York corporation with its principal place of business in Massena, New York.

II. FINDING

The application has been evaluated to determine if the proposed export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), of the NGA, the import and export of natural gas from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG are deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by St. Lawrence to export natural gas to Canada, a nation with which a free trade agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.
