ORDER GRANTING BLANKET AUTHORIZATION TO  
IMPORT LIQUEFIED NATURAL GAS FROM VARIOUS  
INTERNATIONAL SOURCES

DOE/FE ORDER NO. 2459

JANUARY 29, 2008

## I. DESCRIPTION OF REQUEST

On January 16, 2008, BG LNG Services, LLC (BG LNG) filed an application with the Office of Fossil Energy (FE) of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA),<sup>1</sup> for blanket authorization to import liquefied natural gas (LNG) up to the equivalent of 2,000 billion cubic feet of natural gas from various international sources. The applicant requests the authorization be granted for a two-year term beginning on March 22, 2008<sup>2</sup>. BG LNG is a Texas corporation with its principal place of business in Houston, Texas.

## II. FINDING

The application has been evaluated to determine if the proposed import arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import and export of natural gas, including LNG, from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by BG LNG to import LNG from various international sources, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.
