Dear FCC:

Hi,

I, as a consumer, would like to express my excitement about the proposed merger between the XM and Sirius Satellite radio companys. I believe it is a great step in giving the consumer the best ability to recieve the most product for a great price. Plus we won't be forced to purchase new radios if we want to listen to the other companys content. Please allow this merger to happen for the good of the consumer.

Sincerely,

Keith Johnson
