**ORDER TO SHOW CAUSE**  
**(CORRECTED)**

**Adopted: October 24, 2001**

**Released: November 2, 2001**

By the Chief, Allocations Branch:

1. The Allocations Branch, at the request of Cumberland City Broadcasting Company, issued a Notice of Proposed Rule Making, 14 FCC Rcd 10545 (1999), proposing the substitution of 274C3 for Channel 274A at Cumberland, Kentucky, the reallocation of Channel 274C3 from Cumberland to Weber City, Virginia, and the modification of Station WSEH(FM)'s license accordingly.<sup>1</sup> In response to the Notice, a Counterproposal was filed by Holston Valley Broadcasting Corporation ("Holston") proposing the allotment of Channel 274A at Glade Spring, Virginia.<sup>2</sup> To accommodate the allotment, Holston also proposed (a) the substitution of Channel 263A for Channel 273A at Marion, Virginia, and the modification of Station WOLD-FM's license accordingly; (b) the substitution of Channel 249A for Channel 264A at Richlands, Virginia, and the modification of Station WRIC-FM's license accordingly; and (c) the substitution of Channel 264A for Channel 249A at Grundy, Virginia, and the modification of Station WMJD(FM)'s license accordingly. Holston also suggested that Channel 274A remain licensed to Cumberland, Kentucky to accommodate its proposal.

2. In order for us to proceed with our analysis of the upgrade and change of community at Weber City, Virginia, it is necessary to issue an Order to Show Cause to Virginia-Kentucky Broadcasting Co., licensee of Station on WMJD(FM) in Grundy, Virginia, why its license should not be modified to specify operation on Channel 264A.<sup>3</sup> Holston states that the allotment of Channel

<sup>1</sup> The communities of Glade Spring, Marion, Richlands and Grundy, Virginia have been added to the caption.

<sup>2</sup> Public Notice of the Counterproposal was given on May 15, 2000, Report No. 2411 (RM-9873).

<sup>3</sup> We previously released an Order to Show Cause (DA 01-2377) in this proceeding, which was rescinded by an

274A at Glade Spring also requires that Station WOLD-FM at Marion, Virginia modify its station to specify operation on Channel 263A. However, since Holston advises that the licensee of Station WOLD-FM has agreed to modify its channel, and we note that the licensee of Station WRIC-FM has also submitted comments consenting to modify its channel, this Order is not applicable. Holston Valley Broadcasting Corporation has stated its intent to reimburse Stations WRIC-FM and WMJD(FM) for their reasonable expenses incurred in connection with the change in frequencies. We will not accept any additional counterproposals because an opportunity has already been provided for the filing of such proposals. Further, although this Order affords Station WMJD(FM) an opportunity to object to the proposed channel changes, it does not afford an additional opportunity to comment on the merits of the proposal set forth in the Notice of Proposed Rule Making or the proposal advanced in the Counterproposal. See Angola, Indiana, et al., 5 FCC Rcd 200 (1990).

3. An engineering analysis has determined that Channel 274A can be allotted to Glade Spring in compliance with the Commission's minimum distance separation requirements with a site restriction of 13.3 kilometers (8.3 miles) east to avoid a short-spacing to the licensed site of Station WWSR-FM, Channel 274B, Charleston, West Virginia.<sup>4</sup> Additionally, to accommodate the allotment, Channel 263A can be substituted at Marion at petitioner's requested site;<sup>5</sup> Channel 249A can be substituted at Richlands at Station WRIC-FM's presently licensed site;<sup>6</sup> and Channel 264A can be substituted at Grundy at Station WMJD(FM)'s presently licensed site.<sup>7</sup>

4. Accordingly, IT IS ORDERED, That pursuant to Section 316(a) of the Communications Act of 1934, as amended, Virginia-Kentucky Broadcasting Co, licensee of Station WMJD(FM), SHALL SHOW CAUSE why its license SHOULD NOT BE MODIFIED to specify operation on Channel 264A.

5. Pursuant to Section 1.87 of the Commission's Rules, Virginia-Kentucky Broadcasting Co. may, not later than December 24, 2001, file a written statement showing with particularity why its license should not be modified as proposed in the Order to Show Cause. The Commission may call on Virginia-Kentucky Broadcasting Co., to furnish additional information. If, Virginia-Kentucky Broadcasting Co. raises a substantial and material question of fact, a hearing may be required to resolve such a question pursuant to Section 1.87. Upon review of the statements and/or additional information furnished, the Commission may grant the modification, deny the modification, or set the matter of modification for hearing. If no written statement is filed by the date referred to above, Virginia-
