From. Adjudications Counsel

Attn. of HCC-4

To: Docket No. FHWA- 1997-2593 -7

As part of the Regional Director's September 30, 1998, Motion For Reconsideration, original photographs were sent to me. In response to my October 1, 1998, e-mail question as to whether a second set of original photographs was sent to U.S. DOT Dockets, the Assistant Regional Counsel for Region 4 replied via e-mail that it was not. I have placed the original photographs in the Docket. The Assistant Regional Counsel also reiterated the argument contained in the Motion that a hearing was not necessary.
